Thank you for your patience and support as we have worked through the thrills and spills of renovating our new outdoor programming space!

We especially thank Michelle Morris of Morris Excavating for going above and beyond in every way. A big thanks goes out to Pete Mestelle for being his awesome self and lending his expertise to "all things 104".

We thank those who contributed financially; the Sturgis Area Community Foundation, John and Lynda Appuhn, Keith and Alice Morton, Corteva Philanthropy, Chris Allmand, and those who donated in memory of Kathy Kistler and Ned Bale.

Now, we look forward to some finishing touches like the completion of the raised bed gardens for our kids' garden club.

Watch for more programming planned on 104!
