POW WOW

Violet H. Reid

FOREWORD

Some regard school only as a preparation for life, but they are only partly right. It is life. It can be the happiest and most fruitful part of one's years if you only let it be. Within the varied activities of your school days are the opportunities to gain the things that we hold most dear--friendships, success, achievement, and knowledge. And at no future time will their attainment seem sweeter. Foolish is the one who fails to take advantage of today's opportunity thinking he will wait until tomorrow to begin.

In reading through our Pow Wow this year, we hope you will get some entertainment not only humorously, but seriously. Look through and see just what has happened during the past year. Look at the Athletic program and recall all the games and players you played for and against, look at the class pictures and recall all your friendships during the past year. look at our faculty and..... well lets look at the clubs and organizations that all of you have belonged to and the fun you have had.

We of the Annual Staff have put in a lot of hard hours after school and at night to give this annual to you the people of our community. We have enjoyed it and hope you will appreciate and enjoy it also.

Many people feel that the Varsity Club is only for the purpose of making money, and it is, but in a different way than most people expect. The Varsity Club purchases items that otherwise could not be obtained, such as a movie camera and projector, which helps the coach and players see what they have been doing wrong. The club also stands on the purpose of establishing sportsmanlike conduct between players, promote sports, honor varsity letters, and encourage scholastic endeavor. All in all the Varsity club is a wonderful club to be allowed to join. Everyone should try harder in all sports in order to obtain a Varsity letter.

OFFICERS--President D. Blanchard, Vice President G. Morris, Secretary-Treasurer C. Coffin, Advisor, Mr. Benson.

VARSITY CLUB INITIATION

Have you heard the latest?

If I didn't know better I'd say someone had their shoes off.

Go ahead and draw, I dare you.

There's one in every crowd!

If in doubt, kick, the boss says.

Who's with who here?

I don't believe a word they're saying.
