The School Board, administration, and a citizens' committee of White Pigeon met to discuss what had been done in regard to the problems of the school's facilities. They investigated the needs and discussed possible solutions to these problems.

Due to increased enrollment during the past few years there is a need for more classrooms.

ADVICE FROM A SENIOR

My advice to you, the future seniors, is to make the most of your opportunity for education. When you first enter high school, it seems like an eternity until you will be a senior and that there will be plenty of time for getting serious about your education.

Some of the people with whom you associate may think that it's smart to do the least you can in school and "Just get by." They are not fooling anyone, except maybe themselves.

You have the opportunity for an education because your forefathers were brave enough to give their lives and your parents and tax-payers are willing to provide this opportunity for you. Are you going to show your appreciation to them by just getting by in school and later in life?

How much this country, and even the world would benefit if this attitude of "Just getting by" could be changed to "Go all out and try to do your best."

THOMAS HAGERTY
Treasurer
I've enjoyed your friendship during my last year at WPHS.

Vivian

Best of luck always.

Hamm Club

"To create, maintain and extend throughout the home, school and community high standards of Christian character." In keeping with this purpose we are anxious to do for others what might not otherwise be done, and many of our service projects reflect this attitude.

We participate in many state projects such as "Bundle Days" (clothing for needy people around the world), "Youth Legislature", State Y.M.C.A. activities of committees and camps", and "Let Freedom Ring".

FIRST ROW: S. Smith(treas.), R. Barberis(pres.), SECOND ROW: Mr. Ward(sponsor), D. Johnson(chaplin), C. Stutsman (sec.), W. Steiner(vice pres.)
Our Tri-Hi-Y Club is composed of a very active group of High School Girls who are dedicated to our purpose: "To create, maintain and extend throughout the home, school and community high standards of Christian character."

We participate in many school and community interests as well as those gatherings connected with our organization.

This year, our World Service contributions were used in Y.M.C.A. work in the new nation of Uganda, Africa, and our stamp collection money to aid the hungry of India.
F.H.A.

F.H.A. stands for the Future Home-makers of America. Our motto is "Toward New Horizons" and our colors are red and white; red for courage and white for purity.

Our club is mostly a service club. We baby-sit at P.T.A., have an annual caroling party for shut-ins, and help with the Mothers March of Dimes. We also have made the Mother-Daughter Banquet and our Chicago trip an annual affair. The highlight of this year was hosting 500 girls for the Regional meeting.

The proposition "Resolved: that Nuclear weapons be controlled by an International Organization" is the debate topic for the 1964-65 season. With scheduled debates against Sturgis, Coldwater, Union City, and Otsego, the team is staying active and in readiness for the annual elimination tournament hoping for state honors.
The Purpose of the Varsity Club is to promote athletic relations among the members of the different competing teams and schools. Also to accept responsibility and leadership in school and to secure such other advantages as may be properly gained by union of effort, with specific objectives of increasing school spirit, team spirit and discipline, as well as to contribute materially to athletic programs.
The Varsity Club Queen for 1964-65 was Miss Rose Benyi, a senior. She was chosen by popular vote of all the high school classes from a group of three senior girls, Misses Vivian Lamb, Cheryl Jorn, and herself. An attendant from each of the other classes was elected as follows: (Left to right) 7th grade - Jo Schmeling; 8th - Sheila Gray; 9th - Sandra Yoder; 10th - Jan Crouch; 11th - Linda Lilly. Their escorts were senior members of the Varsity Club: (Left to Right) Steve Pendill, David Hendricks, Allen Houseworth, Larry Wegner, Randy Barberis, Gary Skeels, Chuck Stutsman, Alan Darlison, Roger Ernsberger.

The 1963-64 Queen, Judy Rae Bloomingdale, places the crown on our new queen, Rosie Benyi.
Student Library assistants perform important tasks that aid the smooth functioning of both Grade School and High School libraries. Their work includes charging of books for loan, carding returned books, filing, listing overdues and fines, and helping with the processing of new books and magazines.
The Spanish Club is composed of students who are taking their second year of Spanish. The club was organized to promote a better understanding of Spanish and to help the students with their conversations in Spanish. It is mostly a social club and does not have any money-making projects. The members have had a lot of fun this year in the club, thanks to their sponsor, Mr. Pruitt.
The science fair is the primary activity of the Modern Science Searchers sponsored by Robert Pruitt. The group meets to discuss and promote their scientific interests and the scientific interests of the community. Excursions to museums and industries are also a main function of the club during the school year.

THE STUDENT COUNCIL

The Student Council does many things for the student body. It has been regulating all student activities including dances. It has, and will, put on several assemblies for the school throughout the school year. It also assists the student body and its organizations in any way possible. These are just a few of the many things that the Student Council has been doing.

Mr. Dury receives plaque from Student Council for his years guidance and leadership, presented by last year's president, Richard Neecey.
To be awarded membership in the National Honor Society, a sophomore, junior, or senior student must be nominated by a faculty member, and must be outstanding in character, service, and leadership. The student's academic grade average is checked, and must be at least a B average. From the group nominated by the entire faculty, probationary members are elected by a faculty committee composed of three teachers, the sponsor, and the principal.
Coach Blue discusses our chances for a coming game at a pep session.

The girls paint the ghouls for the Varsity Club Funhouse.

Mr. Ward and Hi-Yers maintain coat check facilities at games.

The Senior High School Chorus, under the direction of Mrs. Merla Ward, Music Supervisor, has done some very creditable work this year. With an enrollment of one hundred thirty seven students many selections have been rendered in a most pleasing manner.
