In September of 1966 the White Pigeon faculty and students went over to the new property for ground breaking ceremonies for the new high school. Featured in this picture is Eric Jones, President of the Student Council, Mr. McKenzie, Superintendent of the White Pigeon Schools, Mr. Gray, President of the School Board.
BUILDING THE NEW SCHOOL

Mr. McKenzie and Mr. Snell view the progress that was being made on the new White Pigeon High School. The new high school cost approximately $980,000.
CLASS DIVISION
Publication is the name given to the class for which work is done on both the school paper and annual.
The English literature classes will be enjoying choice selections from outstanding English authors, and will be reading for both pleasure and enlightenment. They will encounter such literary types as short stories, essays, poems, plays and novels, and their attention will be directed to structure and style. Reading outside of class will be directed to structure and style. Reading outside of class will culminate in six-week project reports, a reading journal, book reviews, and a term paper. Some of the reports will be oral, and techniques of public speaking will be studied.

Most of the students in these classes are looking forward to college next year, and, hopefully, the English literature course will help to get them ready for the freshman English course.
Contrast and improvement--these are two words that apply to the change this year has brought to our high school library. From a room built originally for an assembly hall with walls that magnified each slight sound, the library has moved to quarters with wall to wall carpeting that cuts down the noise and makes it an inviting place to read and study. From crowded shelves, we now have room to grow. At the beginning of this school year the library contained over 3500 volumes. The new library is designed to have room for 6000. More books are being added all the time. Work on the new books now is done in an office and workroom. Besides the librarian, there is a full time library clerk on the staff, and at each hour throughout the day there are student helpers.
All Shop courses are planned to give those that enroll in them an occupational survey of the world at work.

**Drafting I.** To teach some of the basic skills in planning and graphically representing what is in the mind of the planner.

To learn how to interpret drawings and to make them as a part of the language of industry.

During the last six weeks period of this year, a survey of architecture and the planning of small buildings were studied. How to estimate the cost of a small cottage and garage was studied, also.

**Boys Shop** Basic Home electricity for home maintenance. Cost estimation of building and painting. How to estimate the cost of the different types of flooring. How to estimate the cost of roofing.

**Metal Shop** Eleventh and Twelfth grades. Basic work at the bench in the shaping of metals. Heat treating of metals. Learn basic lathe processes. Projects will be made on the lathe, the shaper, and the vertical milling machine.

**Girls Shop** One six weeks period is exchanged with the Home Ec. department when the girls have shop and the boys have Home Ec. The girls learn home maintenance. Repair of lamps, Faucet repair. Reclaiming old furniture. They also learn the use of some of the power machinery and the safety measures involved.
There are many reasons for the Physical Education programs. The main reason is to keep the students physically fit and to learn the value of competition among fellow students. It also helps the student to be a little skilled in every area of sports.

A wide variety of sports and games are played such as volleyball, tennis, kickball, softball, basketball, football, and soccer.

It is fortunate that we are offered the opportunity to participate in the Physical Education program.
White Pigeon Senior High bandsmen started the school year with attractive new uniforms and a new drum major, the first male field captain at the high school in many years. Under the very capable leadership of drum major Dave Hackman, the "Marching Chiefs" first travelled to Centre-ville Fair on September 24 for the annual band festival and parade. A week later, they were off to Ann Arbor to participate in the University of Michigan's Band Day. The band's busy schedule continued with their performance in the M.S.B.O.A. District Eleven Marching Festival at Battle Creek-Lakeview on October 12.

Senior High, Junior High, and Elementary bands performed at the annual Christmas and Spring concerts. During January and February, Junior and Senior bandsmen participated in Band and Orchestra Festivals.

Senior band members are looking forward to band camp, which will be held next August to prepare them for the coming school year.
The Mathematics Department is trying to develop a program of broad scope. In these days of the computers and space ships, mathematics is becoming one of the most important tools in the solutions of the complicated space and technological problems. Therefore, the mathematics programs in the high schools and colleges have to be developed so that the problems of the space age can be dealt with.
Science is an important part of our lives whether or not it deals in the fields of biology, physics chemistry, or just a science class. Students who enjoy science have really appreciated the new physics and chemistry labs to work in.
Two services for the students are the study hall and the cafeteria.
Business Economics is a good course for everyone, as it touches several different phases of the business world.

The beginning typing class is a must for everyone. A student should type term papers, themes or any other class assignments. Typing is used in all business offices and many people use it for writing their personal communications.

To obtain a top office position shorthand maybe a stepping stone for boys as well as girls.

In this day and age everyone must keep records of their financial affairs for income tax, therefore bookkeeping will teach anyone the beginning of record keeping.

Typing is useful to students who wish to type reports of any kind in a neat way. It also enables a person in looking for a job which may require typing.

High school girls participate in office practice. This is to give them experience in working in an office.

"BLAZING GUNS AT ROARING GULCH"

Our Director
The touch of a Master.

Children, must you always quarrel!

I didn't mean to do it mother

STARS AT THEIR BEST

Our Master of Ceremonies
"I helped that man to kill him."

"I am capable of murder."

"I merely provided the corpse."

"My husband."
"Handwriting expert of the New York Police Department!??"

"I'm a terpsichorean!??"

"Kissing her vild like tiger!??"

"Why you--you impudent upstart--do you know that I can crush you like a worm!"
Home Ec. III students make cakes for judging. These were picked as the best. Left to Right: Martha Bellows, Jan Crouch, and Pam Kirkdorfer.

Mrs. Slack displays the new kitchen with a smile of approval.
Students learn how to study in both of the government classes. Here one of the teachers is stressing some important facts. Both state and national government are studied.

Also, the students learn where democracy and communism differ, and what it would be like to live in a communist ruled country.
HOME COMING QUEEN
AND COURT

Left to Right: Jan Grant, Gloria Armstrong, Queen Pam Kirkdorfer, Cindy Dersch.
This past year has brought about many first for White Pigeon. One of these first was having a Homecoming. This was presented by the Varsity Club.

Each of the four high school classes had a candidate for Queen. They were: Freshmen, Gloria Armstrong; Sophomore, Jan Grant; Junior, Cindy Dersch; and Senior, Pam Kirkdorfer.

The 1966-67 Homecoming Queen is Miss Pam Kirkdorfer, who is also salutatorian of her class. Pam is active around the school and known and liked by everyone. Pam will return next year to crown her successor.
The White Pigeon Chiefs finished their football season with a record of five wins and three losses. Toward the end of the season, injuries plagued the Chiefs as Randy Strawser and Dan Hagen were injured. Many of the Juniors did a fine job of filling in for the injured starters. At the end of the season many of the boys were chosen for the All-Conference Squad. These Boys

Gordie Armstrong, Mike Fuller, Don Gloy, Tom Markel, Bob Reiner, Randy Strawser, Spike Schneider, and Terry Landis.

Next season should be a good one for the Chiefs, even though they are losing many key starters. Several good players from the reserve team will move up to the varsity team; it promises to be a good team next year.
RESERVE FOOTBALL

1st Row: Bill Luttman, Kurt Bowman, Larry Nantkes, Ray Miller, Gary Schneider, Gene Rogers, Doug Shearer, Manager, Mike Nottoli, 2nd Row: Terry Logan, Jerry Groves, Berry Bowser, Steve Miller, Jim Bradley, Brent Steiner, Manager, Mike Pendleton, 3rd Row: Steve Ripplinger, Kevin Kirkdorfer, Steve Heckman, Doug Carter, Jerry Bowser, Manager, Tom Cripe, 4th Row: Tim Logan, Bruce Skeels, Tom Spoores, Tim Thomas, John Deckard, Coach Rager.

This year's Reserve Team had a very fine season. They won all of their games this year. There are several fine prospects for next year's Varsity. David Ranger in his first year at White Pigeon led the team to two wins over Constantine.
Markel chalks up six points!

As school began last fall; the halls had many new students. This in itself was not unusual, even though one of those students was. This person is no longer a new student. He is Rene Schulz, our foreign exchange student from Germany. White Pigeon's citizens had been waiting with anticipation to greet this student. Rene came over to our country with the U.F.U. (Youth for Understanding) Organization.

Among the thirty persons who qualified for the exchange program, Rene and four other students were chosen to come to this immediate area.

After living in Dortmund, Germany, which is an industrial city, he enjoyed living in the country and was very excited to learn about farming in America. He also visited the Centreville Fair which taught him more about our way of living.

All the students and citizens of White Pigeon have enjoyed having Rene with us this past year and regret having him leave us. We hope too, that he will never forget the fun and excitement we all have shared together. We want to wish him good luck in his future schooling at the university in which he wants to study in his father's footsteps as an engineer.

The White Pigeon annual staff would therefore like to dedicate this 1967 Wahbememe Year Book as a way of saying, "We've enjoyed getting to know you, Rene."
CLASS HISTORY
"1967"

In 1954, we started kindergarten at the American Legion Home on east Chicago Road. Later in the year we moved to the newly constructed elementary building.

Our classmates from Baldwin Prairie started kindergarten at Maple Grove. In the first grade they moved into the new elementary building at Baldwin Prairie.

Through the elementary grades we remember symphony band in third grade, the Halloween, Christmas, and Valentine parties, the operettas, and especially our sixth grade operetta, "Cowboy On The Moon". Our tremendous basketball team got their big start by participating in the Little League Basketball program with the girls cheering them on. At the end of our sixth grade year, we took the annual trip to Kellogg's of Battle Creek, Elkhart Packing and visited the Elkhart railroad yards.

In Junior High we met our new classmates from Baldwin Prairie School. While in the eighth grade we took a trip to Kalamazoo to KVP Paper Company and Western Michigan University campus. We will all remember with regret the loss of Mr. Wilfred Buck, our English teacher during that year.

With our eighth grade diploma in hand we journeyed forward to the activities of high school. Now we were able to choose our subjects and course of study for the next four years.

In our sophomore year the boys from our class made the Varsity basketball team to break the 61 game losing streak.

Our Junior year was an exciting one, with our Junior play "The Night Of January 16th" and our Junior-Senior Prom "Moon River". Our constant thirst for money was somewhat quenched by our magazine sales, candy sales, and our paper drive.

This brings us to the summit of our High School years, our Senior year. This was a year of firsts. The Senior Band won a first rating in the District Marching Contest at Battle Creek this year. This was the first time in several years that the band received a first rating at contest.

It was also the first year for White Pigeon to have a Homecoming.

It was a successful year for all of our athletic teams.

The Senior play this year was "Blazing Guns At Roaring Gulch", a western melodrama. Much was gained from Senior Government Day held in Sturgis.

On November 29, we moved into our fabulous new High School building. We are glad that we have been able to go to school in the new building and have the privilege of being the first class to graduate from it.

The long awaited event, the Senior Trip was a most memorable experience.

The climax of our Senior year and our High School years, June 1, 1967, the day of our graduation. Even though we go our separate ways and may never see one another again, we will always have the memories of our school days at White Pigeon.

Thanks to all of our teachers and parents who have made this milestone in our lives possible.

CONNIE SIBERRY
As the third Senior in our graduating class, I have the privilege of writing our class will.

JOYCE JOHNSON

Four happy years we've strived for thee,
And fought in every game,
That we might ever prouder be,
To praise our high school name.

Now don't forget the good times past,
And the trip that's yet to come
Oh, the years have gone so fast,
But yet have been so much fun.

We'll soon be leaving the sheltered halls
Armed with the best they could impart,
To meet life's battles as they come
With valiant spirit and brave heart.

May fame and glory follow thee
Thy future e'er be bright,
And honor be forever dear,
As on Commencement night.
As the fourth Senior in our graduating class, I have the privilege of prophesying what our great Seniors will be doing in 20 years.

Some People Think
Our Business Is Trees

That's only half the story

A dynamic leader in the forest products industry, Weyerhaeuser has grown from a regional lumber producer into an international organization with plants in 27 states and 12 foreign countries. At the same time, Weyerhaeuser has refined its methods of scientific forest management to insure a perpetual harvest of the highest quality raw materials for its wide range of products. Today Weyerhaeuser continues to make lumber and plywood, but it also makes paper, plastics and chemicals which are as new as tomorrow. Whatever your plans or interests are you should consider Weyerhaeuser—the growing company in a growing industry.
