These phys. ed. boys are taking advantage of one of the nicer features of our new building: the gymnasium.

New Building Makes

Cooks Mrs. Wagner, Mrs. Atherton and Mrs. Ulery in the kitchen.

Mrs. Reiff gives the smile of approval from her office.
Pat Clutter, Lamar Chupp, Mike Clutter (standing), Farrell Bennett, Jim Bell, and Rick Bell are obviously enjoying the food more than the home-ec. room.

Classes Interesting

Debbie Reynolds, Denice Sigler, and Terry Miller show their appreciation for the building in an odd way.

Pam Stuck, Lana Walls, Sue Enix, Sharon Kathan, and Kathy Heckman try their hand at woodworking.
Girls announced winners in cake bake contest.

This year we are dedicating the annual to a man more than worthy of this honor. Mr. V. E. Ward has been a teacher since 1920 and has spent most of his teaching years at White Pigeon High School.

Mr. Ward obtained his Bachelor of Science degree at Michigan State University and in 1920, started his teaching career at Colon. He was superintendent of Colon Schools at this time and taught agriculture and English while he was there. In 1925 he moved to Marcellus where he was also superintendent. He taught economics and English while at Marcellus. In 1932 Mr. Ward moved to district seven as a rural school teacher, and in 1934 to Quaker Street School, now consolidated with Constantine.

In 1935, Mr. Ward had his first teaching experience at White Pigeon. He taught English and biology in his first years and was high school principal from 1943 to 1946. In 1946 he left White Pigeon to be director of Camp Maranantha in Muskegon, Michigan.

Mr. Ward came back to White Pigeon in 1953 and has remained here to the present time. He has taught English, biology, general business, science, and agriculture during his years here. This year Mr. Ward is retiring after 26 years at White Pigeon. He has taught many of our parents, and not only do we remember him for his teaching but as a devout Christian. His leadership in the Hi-Y is known throughout the state, and his free checkroom service as an activity of the Hi-Y has served countless thousands of people. We can never hope to pay back all that Mr. Ward has given us, nor would he want us to. But to give him a small part of the recognition that he truly deserves, we dedicate the annual to him on this, his retiring year. Thank You, Mr. Ward.

Cross Country

The 1967 cross country team won eleven of its nineteen scheduled meets. Their best showing came in the Fennville Invitational where they finished third.

The team also participated in the Lawton and Albion Invitationals. The local harriers finished eighth (of fifteen schools) in the State Regionals.

Jerry Chamness, Dean Freng, Mike Lyon, and Steve Miller were the top four runners for Pigeon. We hope for an improved record next year as all these boys are scheduled to return.

Freshman Basketball

The White Pigeon Freshman Basketball Team finished the 1967-68 season with a record of nine wins and six losses. The little chiefs were eight and four in conference play. The team defeated Constantine twice in regular season play.

The very young Chiefs lost their second round game in the annual Freshman Holiday Tournament and did not make it to the finals. Defense was an important factor in the freshman's wins this year.

There were some promising athletes on the squad. Coach Jackson expects them to become outstanding varsity performers in the future.

Reserve Basketball

The White Pigeon Junior Varsity Basketball team completed a very fine season with a record of 13 wins and 4 losses. The season was highlighted with a 35-28 victory over the Constantine Falcons. Dave Woods lead the team in scoring with a sixteen point average and was also chosen by his teammates as the Most Valuable Player. John Deckard was voted the Most Improved Player and lead the team in rebounds and free throw shooting. Ike Wright was chosen by his teammates as the Most Dedicated Player of the season. The tri-captains of the team for the season were Dave Woods, John Deckard, and Steve Miller.

Varsity Basketball

The White Pigeon Varsity Basketball team completed its season with a win over Schoolcraft, 80-59. The Chiefs finished second in the St. Joseph Valley League with a 11-3 record and an over all record of 13-4.

The Chiefs were outstanding during the season despite of the fact that there were no returning starters from the previous season. The Chiefs will sorely miss Dan Blake, Mark Lutz, and Gordie Armstrong next year.

Statistically Bill Slack was the leading scorer with an average of 13 points per game and John Davidson was the outstanding rebounder for the season.

On March 4th White Pigeon will hold its own district tournament for the first time. Centreville, Colon, Union City and Athens will compete against White Pigeon. The Chiefs will be in there fighting all the way.

Senior Class Poem

We were the disagreeable ones.
That's what we were, all right!

We squabbled over class rings,
Half and half for each.
We bickered about the Prom
And what the theme should be.
We couldn't see eye to eye
On who should keep out notes.
We argued over our colors;
The rainbow got some votes.
We quarreled about the motto;
Protests were everywhere.
Should the girls wear blue or white?
Everyone was in despair.

These don't really matter though;
No one will remember them.
We'll all recall the friendships,
For friendships will never end.

Sandy Yoder
Class History

As the tenth student in the graduating class of "68", it is an honor and a privilege for me to write our class history. It all began for us thirteen years ago when we entered Kindergarten. We were all quite timid and shy, but as the years swept past, we burst from our crystalline cocoons into the awaiting arms of the world.

When we were in the third grade, we demonstrated our musical talents by performing in harmony band. A couple of years later, our guys began to participate in the Little League Basketball, while we girls led the cheering section. To top off our fifth grade activities, we went roller skating at the Blue Plaza in Sturgis, and at the conclusion of sixth grade, we had the pleasure of spending the day at Kellogg's in Battle Creek.

Before we knew what had happened to us, we were on our way to Junior High School. Junior High was a lot of fun, but it didn't last very long. In seventh grade we were greeted by many new faces. Yes, we joined hand in hand with our friends from Union, Michigan.

Before much time had past, it was time for our eighth grade graduation. We were the last class to receive an eighth grade diploma.

We'll never forget our freshman year in High School. We were allowed to choose our course of study for our remaining years of school, and we had the opportunity of joining many club activities.

In our sophomore year, many boys from our class made up one of the greatest reserve basketball teams we ever had.

When we were juniors, we remember the great success of our Junior Play, "Her Kissin' Cousin." We also recall all the fun we had decorating the gym for our Junior-Senior Prom. The setting was just beautiful. This, too, was a great year for the White Pigeon Chiefs. We were SJV co-champions. Our team made it through regionals but were finally beaten in the quarter finals. Several new additions were placed in the trophy case during this year.

As the class of "67" descended the steps of W.P.H.S., we moved up to take their places. Our Senior Government Day at Sturgis was a big new experience for all of us.

We remember too, our Senior Play, "Beauty and the Beast." It proved to be a giant success.

In the school year 1967-68, we had an undefeated football team. Their record was 8-0. I'm certain no one will ever forget the night we scalped the Constantine Falcons. This was the night our team graciously accepted the TOMAHAWK which they well deserved.

To climax our year there was the long awaited Senior Trip. This was an experience we will always remember.

Our High School years were brought to a close June 7, 1968 on Graduation Day. As you can see, "1968" was and still is the year of the great ones.

No matter what happens to us in the future, we will always have the precious memories of the years we spent at White Pigeon High School.

May each of your lives be filled with much success and happiness in the years to come.

Kay Groves

Some People Think  
Our Business Is Trees  

That’s only half the story  

A dynamic leader in the forest products industry, Weyerhaeuser has grown from a regional lumber producer into an international organization with plants in 27 states and 12 foreign countries. At the same time, Weyerhaeuser has refined its methods of scientific forest management to insure a perpetual harvest of the highest quality raw materials for its wide range of products. Today Weyerhaeuser continues to make lumber and plywood, but it also makes paper, plastics and chemicals which are as new as tomorrow. Whatever your plans or interests are you should consider Weyerhaeuser—the growing company in a growing industry.
