Mr. Dury in control!

Mr. Dury looking over the curriculum.

Mr. Davidson discussing curriculum changes.

Mr. Davidson proving his skills.

The Publications Staff is honored to dedicate the 1971 WAHBEMEME to Wayne Dury and Paul Davidson who have served the school and community with many years of hard work.

Mr. Dury attended Western Michigan on a scholarship by the Kellog Foundation and graduated with M.A. & A.B. degrees. His first teaching job was in Williams County, Ohio where he taught for 6 years and then he taught in Hillsdale County, Michigan for 7 years before coming to White Pigeon High School where he has taught for 29 years. Mr. Dury has taught History, Government, Sociology, World Geography, Economics, English, and Jr. High Math. He belongs to the White Pigeon Lions Club and has served as president and co-treasurer. His plans after retirement are just to keep busy around his home.

Mr. Davidson also attended Western Michigan and graduated with B.S. & M.A. degrees. His first 6 years of teaching were in rural schools in Mottville, Constantine, and Thompson Counties. Since then he has taught for 36 years at White Pigeon High School. Mr. Davidson has taught Shop, English, History, and Math, with his favorite subject to teach being Machine Shop or Cabinet Making. He has also done extension work in 4-H. Mr. Davidson is a member of various clock and watch organizations which include: Watch Makers Institute #159, National Association of Watch and Clock Collection-pres. for 3 yrs., and is a licensed horologist. He also organized the George E. Lee Chapter #26 of the National Association of Watch & Clock Collection. Mr. Davidson's plans after retirement are to work on watches & clocks in his own shop.

Class History

As the 7th Senior in the class of 1971, I have the privilege of writing our class history.

Back in the cloudy past, in the year of 1958, a crew of little swingers graced the halls of White Pigeon Elementary for the first time. This was the future class of '71.

In third grade, our talents started to develop in Harmony Band. A year later, our Little League Basketballs started a long and bright career.

In sixth grade, we went to Kellogg's in Battle Creek and mingled with the Corn Flakes.

Now for Junior High, our first big step. We became aware of ourselves and our fellow classmates, the new arrivals from Baldwin Prairie. They were a welcome addition to our class.

In eighth grade, we went to Lansing to learn how our state was run.

We then entered high school, filled with anticipation. In our sophomore year, our basketball team became one of the top four in the state in our class. We also received our class rings and eagerly awaited the year when we would be seniors.

In our junior year, our class play, "Hang-Up at Generation Gap," was a huge success.

Now our senior year had finally come. The class play, "Enemy of the People," was also a great success.

The long-awaited Senior Trip to Washington D.C. was one of the most mind-expanding experiences of our short high school years.

But the most important part of our school years was the closeness that happened between each other. Sure we had disagreements and fights. But when it came down to the end, we pulled together as one. And wherever we go and whatever we do, we will hold the memories of our years in school as the happiest of our lives.

May I wish to every member of the Mighty Class of '71 all of the luck in the world.

Mike Clutter
As the 9th Senior in the graduating class, I have the privilege of writing the class poem.

We have always wanted to be Seniors, it's true,
Yet when we leave and we know that it's through,
Who can say what will become of us.
Success? Heartache? Happiness?

We will search to find the best things in life,
Some will find peace, and some will have strife,
Each will come face to face with his destiny,
To shape his life as he wants it to be.

Everyone of us will have to try,
Hard to find the answer to: "Why?"
Must there be war and poverty?
Is there still freedom? Equality?
Can we change the world? Can it be done?
We will try as the Class of '71!

We'll never forget the fun we have had,
We'll remember the good times; forget the bad.
We're almost ready; it's almost time,
To put back adolescence and enter our prime.

And know with the past forever gone,
The future is still our own.
We will look back on these twelve long years,
As the best we shall have known.

Weyerhaeuser High Yield Forestry:
A new way to produce 33% more wood. Crop after crop. Forever.

It's the most advanced concept in forestry since we introduced tree farming 26 years ago.

Under this plan, skilled men accelerate forest growth. They fertilize the soil, narrow the forest floor, sow new crops by air and thin out weaker trees to spur growth in more vigorous ones. They will do this on millions of acres to force the pace of growth.

Ultimately, all seed used to plant new crops will come from genetically superior trees grown by our scientists in seed orchards. These genetic marvels will create the new High Yield Forest. It will be made up of super trees that grow taller, stronger, faster.

This plan wasn't born overnight. We were able to initiate High Yield Forestry in 1967 because of continual research started a quarter century ago. And this increased growth program is coming just in time!

Wood needs are rising rapidly, while land available for growing trees is shrinking every year.

America can't wait for nature. It must do better: Get more wood from every acre of commercial forestland.

At Weyerhaeuser, we will.

That's what High Yield Forestry is all about. To learn more, write to us at Box A-69, Tacoma, Wash. 98401.
