As I watched the snow glisten down through a bare-limbed tree,
I saw a flock of ducks take off from a nearby lake flying higher and higher.
Then I think of the one I love and wonder if he loves me.
But walking in the moonlit night through the diamond-like snow, I know she loves me for that is the way it will always be.
Someday all lovers will be free to love each other the way they want to be.

To the Class of '75

When a person moves to a new school, as I did this year, after having been principal at the same school for a long period of time (9 years); there is a good bit of apprehension as to how good the school is and how the students will react to the changes which are inevitable in a situation like this. I would like to pay a sincere compliment to the student body generally, but more especially to the seniors, for the high quality standards and behavior this year. You have been patient with your “new” principal and cooperative in changes which may have caused some special problems to senior students.

You know, you are really graduating from high school at a time when there are some serious problems in the land. But, serious problems mean that there are some great opportunities for those who are able to be problem-solvers. We really need people today with an extra sense of responsibility and some real ability; this need represents opportunity to you.

I hope the school has been able to help you develop your talent and ability so that you will be able to fit into this complex and changing world of ours. You never stop learning and many of you will continue formal education in college or technical schools; build on what we have been able to contribute and make your mark in the future. Our goal for each individual student is that the school extend every effort to change potential into ability; to help the student develop the several talents that God has given to him.

Best wishes to each of you in the years ahead. May God be your guide during this commencement season—the beginning of a new and important time in your life.

Sincerely,

Kenneth W. Ward, Principal

1990 Graduating Class?

Warming up for "Pomp and Circumstance"
Junior Class

It was a very good year for the Junior Class. Our first money raising project was the annual Junior Class magazines sales. We sold magazines amounting up to $5325.02. We received 40% of that, leaving us over $2100 profit. Carol Bale and Al Biland were the top salesmen. Carol chose a turntable for her prize and Al a blacklight. We also had a Potluck Dinner before the Constantine football game, and a dance after the Constantine basketball game.

We also had one bake sale, bringing in a little extra income. Feb. 14 was Slave Day, which the Junior Class also sponsored. We had one other money raising project, the Dutchmaid Clothes Sale. Mrs. Sassman donated all profits to the Junior Class.

Our biggest project of the year, of course, was the Jr. Sr. Prom. "The Way We Were" was our theme. Preschool pictures of Seniors, were blown up to poster size pictures and posted on the walls. The colors were pastels. The Prom was held at Sturgis in the American Legion. Afterwards we held a Post-Prom in the High School Gym.

Each Junior helped our class this year, but special thanks should go to:

Sophomores sum it up in one word.

SUPER!

This year the Sophomores were a really busy bunch. A few projects were dances, raffles, record hops, class rings, pot-luck dinners and helping people out. The big thing was class rings. We had an exchange student here this year and the year before. Sergio Gomes. Sergio became very well liked and in appreciation the Sophomore Class bought him his class ring. Sergio returned to Brazil January 22, 1975.

The Sophomores also helped the Starr family out this year. Mrs. Starr had special tests done on her eyes, in Minnesota. This was a great expense. We bought round trip airplane tickets for Mr. and Mrs. Starr. They have done alot for our class and this was our way of showing our appreciation.

One person who deserves much thanks is our class sponsor, Mr. Stanton. We should also recognize:
President: Bart Bennett
Vice President: Mike Brewington

Great Job Sophomores!
The first year in High School has been a busy one for us. It started out with our winning of the Spirit Jug by out-yelling the Juniors. We had some outside activities which included a Halloween Parade Night at the Lions Club, sponsoring a dance, and planning a Rock-O-Thon. Our money raising activities included selling pop-corn and carmel apples during National Pop Corn week and raking leaves in our community which earned us $100 and a few blisters.

To our sponsor Mrs. Outman who managed, somehow, to put up with us through the year, we would like to say: THANK YOU.

WITH FIRMNESS IN THE RIGHT AS GOD GIVES US TO SEE THE RIGHT.
The objectives of the student council are: 1. To better student relations, 2. To provide communication between administration and the student body and, 3. To accomplish improvements for the school itself. Student Council officers are chosen starting with a petition of 25 signatures nominating and acceptance speeches are then made at the end of the school year before the entire student body. The first annual activity for student council to sponsor was the Homecoming and the Homecoming Dance. Senior class representative Pam Nottoli was crowned Queen and presented her roses by President Rich Niblock. A dance was held following the game in honor of Pam and her court. The featured band was Glenwood Park. Student Council helped improve the selection of class officers by forming a system similar to that of the council. This gave more students a voice in their own class government and grounds for better participation. Probably the biggest event for student council this year was student exchange. On February 12 students from all league schools came to White Pigeon to spend the day with our students. Mr. Ward was instrumental in making the day a great improvement over past years. Students met for the first hour in the library to discuss our different schools in general while eating donuts. This helped get students better acquainted. The rest of the day went smoothly as we learned the similarities and differences between various schools and their students. The year ended with the election of new officers for 1975-76. I wish them and future officers good luck in achieving what is best for the new school year and years to come. Chris Heigh, Student Council Sec.

There are 28 juniors and seniors in NHS this year. To become a member you must have a B average or better. Your name is put on a list, from this list, teachers, only those who have had you, rate you on, character, leadership, and service using a scale from 1 to 10. An average is made up from the ratings. A final decision is made by the principle, the NHS sponsor, and three faculty members. This year NHS sponsored a “Penny Pitch” for a needy family. We are having our annual bunny raffle and Easter egg hunt in the spring. The Centreville NHS is forming an exchange day in the spring, in which, White Pi\-geon will participate. Second Semester

The 76-members of the Senior Band continued the tradition of excellence in marching band and added some new laurels in the concert medium. The Marching Chiefs earned yet another First Division trophy at the Marching Contest at Gull Lake with a weather-theme show that featured “Smoke on the Water.” Besides their welcome appearance at the home football games, the Marching Chiefs, under the field baton of third year drum major Mike Mentor, entertained thousands at centreville Fair and 4 parades, including the Michigan Week Parade in Sturgis where they captured a trophy as the “Best Senior High Marching Band.” In the concert season the Senior Band added the “Winter Winds” concert to the annual Christmas and Spring Concerts. At the District Festival, their exciting performance of “Rhapsodic Episode” resulted in their first First Division rating in five years. This earned the Chiefs their first trip to the State Festival in 12 years, where, at Otsego, they received a respectable Second Division. The year also marked the return of the Pep Band to the Basketball games. And we had a student teacher, Mark Schnitzlein, who sparked the percussion section and greatly assisted the entire band program. 1974-75 meant revised rehearsal routines and additional activities but these were rewarded with competitive and musical successes.

The FHA has a membership of 50 girls and is open to 10th, 11th, and 12th grade students. The four objectives are: 1) to include our parents at some of the meetings, 2) to do service to the community, 3) to do service for the school, and 4) to do something to further ourselves. The year's activities began with a musical chalk-talk artist. Our guest were 30 girls from Centreville's FHA chapter and our mothers. The fathers met with us to play volleyball for Dad's Date Night. We caroled for the shut-ins at Christmas at the Fairview and Froh Nursing Homes. FHA sponsored two cake raffles this year and the annual Twirp week and Sadie Hawkins Dance. The year ended with a regional FHA meeting, a Style Show, and a trip for the upperclassmen.
Style Show

Dad's Date Night

Our only money-making project this year was a cake raffle. What was earned, we will divide up evenly to send seven girls to Ledge. Ledge is where girls and boys from all over the state run for the capital for three days. Each club going must make up a bill. This bill will be discussed at Pre Ledge where candidates from one area will be chosen to run for offices as governor, Lt. governor, etc. A person must attend Pre Ledge in order to go to Ledge. Pre Ledge also teaches you parliamentary procedures. In 1974-75 year there are 24 girls belonging to Tri-Hi-Y.

Le Cercle Francais (French Club) This was the first year of the French club and Mrs. Pefferle was our sponsor. Our goal this year was to eat out at a French restaurant and in the future years we hope to go to Quebec or France. There were approximately 23 students in French club and so far we've had one raffle for stuffed animals and we sold carnations for Valenties Day. We are planning a car wash and a bake sale in the near future. We have about $90.00 in our fund. All members this year are taking or have had a French class. This isn't required, but you have to have an interest in French language and customs. Pam Nottoli, Secretary.

Pep Club

Something new this year at White Pigeon High School is the inclusion of guys in the pep club. Approximately forty girls and guys make-up this years pep club. The club selected red & black wool plaid vests with red turtleneck sweaters and black skirts or pants as their uniform. The sale of “Little Ivy” candles, initiation and Tourney week Activities, as well as decorating for basketball and wrestling have meant a busy year for the Pep Club.

“I’m Clear! Pass the ball!”

“I hope no one’s looking.”
Reserves Reserves

The 1974 Reserve Football campaign was an unusual one; a mixture of delight and disappointments. Some of the teams best performance went into loping efforts. When the smoke had cleared, the season record stood at 3 wins, 4 loses and 1 tie.

The greatest weakness in the '74 squad was an overall lack of experience. The team boasted a bare handful of sophomores, none of whom played regularly as freshmen. An unusually large number of injuries also reduced the units effectiveness.

In the face of hardships, the team nonetheless displayed tremendous dedication and enthusiasm and accomplished many things on pure emotion that they could not accomplish physically.

The extremely large number of freshmen seeing action in this campaign should remet in a fine, experienced squad in the forthcoming season.
Tim and John suit up for another grueling workout.

"How can turf that seems so soft, be so hard?"

Deisler drives for short gain.

Shot out of a cannon.
The 1974 Chiefs were the smallest in size and had the fewest returning Letterman of any football team in recent White Pigeon history. The Chiefs showed great determination and enthusiasm throughout the season. The Chiefs greatest team Coach effort came in the last game of the season as they shut out New Buffalo 12-0, says Coach Schneider.

The Seniors
Cheer or Not to Cheer' (That is not the Question)
The "W.P.H.S. Cheerleaders" we are—
No spectators of sports from afar.
We yell a lot and lose our voices
To cheer on the teams of our choices.
Then work on projects to raise money
We try to keep smiling and sunny.
Next it's off to camp in the summer
if you don't win the first place, it's a bummer!
But you learn, and meet people from new places.
They're talented, friendly and such pretty faces!
So we work extra hard and do our best
Yea! we win first place when put to the test.
Football Spirit Week, Rick and Pam, Our King and Queen,
All out for Dad's nite and the Homecoming scene.
Decision on B.B. uniforms, new shoes get the nod.
New chants and mounts, the rafters will quake,
one bad fall and your muscles will ache.
Proud as we are, we face S.J.V. Cheer Competition
Freshman, Reserve and Varsity squads, combine our tradition.
We win the trophy and all of its responsibilities
and get nervous trying to prove our abilities.
Settling down to decorating and making signs
Pep assemblies and skits, "Now don't forget your lines!"
And Mom's nite we couldn't be prouder
Our crowd just couldn't get any louder.
Tourney Good Luck flowers, pins and feather bands
but the Rangers just won't give in to our demands.
The seasons over, and we honor our fans and team
With 15 cheers and one long SCREAM—
That W.P. is the greatest, strengthens our beliefs,
THANK YOU for letting us represent the Chiefs!
"Fun!"

The 1975 Junior-Senior Prom in most opinions was an overwhelming success!!

As the guests arrived they were greeted by Sophomore doormen Fred Gilhams and Scott Strawser. Their coats were checked by Charann Bakeman and Chris Bralick. Continuing on through the pastel flowered archway which was built by Mr. Morse and Alan Biland, they were welcomed by Pat Starr at the guest book which they were asked to sign. The American
"The Way We Were"

Legion was decorated in pastel candles, napkins, crepe paper, lights and archway to give the room a spring look. Marty Barnard, chosen by the Junior class spoke. Sarah Wegner, Junior class President, also welcomed everyone. The Grand March was then led by Pat Starr, who announced the couples, as they marched to the theme of "The Way We Were." The band, "Pieces of Dreams" was from Kalamazoo and played types of music for old and young. As a memory of the Prom brandy snifters were sold by Marsha Wesse. Each couple also received a memory booklet. Punch was served by Jill Allison and Jackie Starr.

For the first time in several years White Pigeon High School forensics team. It was composed of extemporaneous speakers Dave Girton and Tim Starr, informative speakers, Mike Brewington and Carrie Erlandson, and Cliff Cripe and Carolyn Block in serious interpretation.

In district competition at Western Michigan University both Mike Brewington and Dave Girton qualified for the final round of action. As a result of the district contest Dave became the first White Pigeon student in 15 years to qualify and compete in the regional tournament.

Other available forensics events include humorous interpretation, story-telling, original oration, and multiple reading. With such a wide field of events to choose from a much expanded forensics program is hoped for in the upcoming years.

The 1974-75 edition of the varsity debate team consisted of Cliff Cripe, Sarah Wegner, Lisa Mowry, Dave Girton. This is the second year of participation in debate.

This year’s competition involved fourteen debates on the topic of changing the method of selecting presidential and vice-presidential candidates.

The novice debate team included Carrie Erlandson, Mike Brewington, Tim Starr, Kim Sullivan, Terry Hostetler, Carolyn Block, Julie Daniels and Chris Heign. All these novices took part in two debates in a meet held here at White Pigeon. Everyone learned a great deal about the art of debating this season and is looking forward to a great year in 75-76.
