Ode to
SENIORS

Graduation, one thing on our minds
Putting all those years behind
Fun memorable things that we have done
Sports games we've lost and some we've won
Memories will always last
From the present, for the future, and even from the past

Senior year is so much fun
It's almost over, almost done
All the friends that you have made
Will eventually start to fade
All your friends will move away
Hopefully remembering, "Back in the day"

Ten years go by before we meet again
Will all my friends have their men
Everyone working at their own jobs
Some of us may even be moms
Boy, what a life it's been
Spending seven years with all my friends

Well, it's almost time to go
It's been real fun don't ya know
It will be hard to leave all my friends
But all good things come to an end
I will miss all you guys, I know you will to
So, you remember me and I'll remember you!

GRADUATION

In spite of the stifling hot gym, graduation ceremonies went well. The seniors walked into the gym as the band played the usual "Pomp and Circumstance." Then, H. Parker, K. Salisbury, J. Wagner, and J. Niblock

MORE THAN A WHITE PIGEON

left Jesse Jackson was many things to many people. He was a civil rights activist, a Baptist minister, a presidential candidate, and confidant of President Clinton. As controversial as he was charismatic, he was always named whenever there was talk of the need for a new African-American leader. He was undoubtedly one of the more striking figures in American public life in the late twentieth century.

below Pope John Paul II began his 21st year in the fall of '98. The 78-year old remained hero of economic justice, outspoken defender of the Catholic Church in Communist countries and firm devotee to moral issues. Noted for his energy, he went to many countries, preaching to huge crowds.

above When Shania Twain started her recording career five years ago, she decided to initially support her albums with music videos rather than touring. Three albums and 15 videos later, Twain has become a top selling female singer in the U.S., with sales approaching 17 million albums worldwide. She says videos are crucial. "It's really been the only true performance in my career ... so I think that speaks volumes for what it's done for it."

above Hurricane Georges was the costliest disaster in the 117 years of Red Cross relief efforts, topping the \$81.5 million spent on Hurricane Andrew. Georges tore through the Florida Keys to the Gulf of Mexico before it slammed into Mississippi and Alabama. Estimates put Georges' cost to insurance companies at \$2.5 billion.

left Sean "Puffy" Combs, a.k.a. Puff Daddy, started his career at Uptown Records and then formed his own label, Bad Boy Entertainment, which sold nearly 12 million albums by 1994. In 1997 Puff Daddy made his debut with "No Way Out." The album spawned the best-selling single "Can't Nobody Hold Me Down" and quickly went platinum.

above Mark McGwire and left Sammy Sosa, two power-hitters in the game of baseball, were in a battle of home runs during the summer. Both were looking to beat the home run record of 61 set by New York Yankee Roger Maris in 1961. When the dust settled at the end of the season, McGwire, a 34-year-old from the St. Louis Cardinals, won the home-run record with 70. Sosa, a 30-year-old from the Chicago Cubs, hit 66 home runs.

below Celine Dion, the youngest of 14 children, grew up in Quebec. In her home, two things were important — children and music. Her parents operated a small restaurant/club where the children could show their musical talents. Dion rose from teenage nightclub singer to award-winning superstar. In 1990 she made her English-language debut.

left The Backstreet Boys got together about five years ago when Howie, Nick and AJ met at auditions. They decided to form a group and Kevin heard about them and they got together. Kevin asked his cousin Brian to join, and there you have the Backstreet Boys. The group was named after a big market in Orlando, FL, and they won the Viewers Select Award at the MTV Europe awards two years in a row.

below The World Cup competition is held every four years. The '98 games were held in France. The French team won the nation's first-ever World Cup title by defeating Brazil 3-0.

THE BIG TURNAROUND

THE BIG TURNAROUND — An incredible season was enjoyed by the Chiefs from last year's one and eight team to the seven and two record this year. It was a very hot season this year for our Varsity Football team. The Chiefs were on the warpath this entire season beating seven of the nine teams that they played. The Chiefs got second in league, and for the first time in thirteen years the Chiefs beat both the Mendon Hornets and the Schoolcraft Eagles. This team had great chemistry. The seniors on the team were great leaders and seemed to have the respect of the underclassman. All of the seniors on the team started at least one way either on offense or defense. The biggest test of the season probably came on the night of the Schoolcraft game. The Chiefs came off a hard loss against the Centreville Bulldogs a week earlier and didn't know if they would rebound. The Chiefs went into halftime trailing fourteen to seven, however they didn't give up. The Chiefs went on to win twenty-seven to twenty-one.

There was a big celebration after the game as the crowd swarmed the field. Our Chiefs didn't give up and would not lose the game. The Chiefs went on to win all but one game for the rest of the season. In Coach Jon Keyer's eyes this was a great bunch of guys. He loved to work with them and he hates to see the seniors go. He hopes next year's seniors can lead the team and get them into the playoffs. This was the Chiefs best season in eight years. The Chiefs barely missed the playoffs by eleven points, but definitely would have been one of the tougher teams to take down in their region. The Chiefs had five players named to All-League. Seniors Eric Demas (D.L.), Derrick Fenner (O.L.), Jeremy Walker (O.L.), Jacob Doubblestein (C.B.) and Junior Hans Miller (W.R.). The Chiefs also had six players receive Honorable Mention: Seniors Adam Schrader (R.B.), Jason Littlefield (T.E.), Tony Crofoot (O.L.), Junior Justin Clark (L.B.), and Sophomores Gabe Macias (Q.B.) and Jeff Gearhart (D.E.)

CELEBRATION TIME!!!! — The Chiefs hold their helmets high after destroying their opponents.

DISTRICT

TWO WORDS, DISTRICT CHAMPIONS — This year's Boy's Varsity Basketball team won their district for the first time in seven years. They defeated Constantine in the first game and then turned around and beat Marcellus in the final game. It wasn't just District Champions that made the Chiefs winners this year, it was the whole season. After a four and seventeen record last year the Chiefs turned it around to a thirteen and ten record this season putting them over the five hundred mark. The Chiefs defeated everyone in the league excluding Bronson, finishing second overall in the S.J.V. The Chiefs' motto this year was to "RUN FOR FUN." They liked to play a fast paced game and get the ball up and down the court quickly. The Chiefs transition game was led by sophomore point guard Gabe Macias to get the ball rolling with shooting aces Hans Miller and Ryan Baechler putting points on the board. The senior leadership was led by Troy Dunlap, Jason Littlefield, Kent Pletcher and Adam Schrader. These four captains led by example and by desire. The Chiefs didn't mind having that extra practice on the weekends, or staying after practice for fifteen minutes to work on their shot. That is why this team was full of winners, no quitters. They had the heart and desire to be champions.

Some people think that you've got to go away to college to get a quality education. Yet nothing could be further from the truth.

You can get a great education right in your own backyard without the expense of living away from home...and without giving up your full or part-time job.

Community Colleges

Where America Goes to College

- 55% of all first time freshmen choose community colleges.
- Over 5 million students attend community colleges across the country.
- Community colleges eliminate the high cost of living away from home.
- Tuition for community colleges averages about half the cost of public four-year colleges and universities
- Save over \$6,000 per year compared to public state college costs.
- Save over \$13,000 per year compared to private college or out-of-state public college costs.
- The college guarantees your credits will transfer to four-year schools. Meet with a Glen Oaks counselor for details.

*So remember... learning does not improve with distance.
In many ways, it gets better the closer you are to home.*

For more information about quality
educational programs and services,

Y E A R B O O K...

The Things that were achieved throughout the year are MORE THAN WORDS can say. The yearbook staff of '99 raged with dedication, hard work, and responsibility. Not only did these factors make the book more creative, but also made me proud to be the Editor-in-Chief. I would like to thank the ones who didn't let a minute stand still. I would also like to thank Mrs. Keyer for her great trust and her believing that we could accomplish such a unique book. To the next leader, Lindsey Chupp, I have faith in you to do quality work and to make the right decisions. This book is honestly MORE THAN WORDS!
