## TRADITION

remains. Homecoming Week, Powder Puff, the Tomahawk Game, Winterfest, turning 16 and getting your license, first dates, Prom, Senior Breakfast, and graduation -- every year these events continue. They help to make the White Pigeon High School experience what it is.

We change.

## Alex Moore

PROCEED WITH CAUTION: HE BITES!

Alex, always remember life's a journey not a destination.

Love,

Dad, Lauri, and Erin

## Starlena Hubbard

Starlena,

So glad we were chosen to be the parents of this beautiful little girl, and very proud of the wonderful young lady she has become that chose to be.

Love,

Mom & Dad

## Karen Fujiwara

I want to let you know that you are my dream that became true. You are very important to everybody in our family because your personality always brings happiness to all of us. I, your brother(Rodrigo), your grandmother, and your grandfather will always love you. You are our treasure. I am proud to be your mother.

Love you!

Mom, Rodrigo, and family.

## Mandi Ruselink

Congratulations Mandi Kay! We are all so proud of you.

Love,

Mom, Nicole and Brady.

## Katie Swan

Katie,

You've made us so proud. Keep on going. The sky's the limit. You're a great daughter and sister.

Love Always,

Mom, Dad, John and Reggie.

## Andy Kiser

We are very proud of you Andy.

Mom and Daddy

## Troy Niblock

To our Troy Boy,

You make us so very proud. You and your "best buds" have made the past 18 years magical. We have enjoyed all of your achievements. Work hard, persevere and all your dreams will come true. We love you. Thank you for being ours.

All our love,

Dad, Mom, Natalie and Michael.

## Leanna Kauffman

All geared up for any battles that life throws at you.

# Way Back When...

Tara,  
So cute! Always smiling. We are so proud of you. I hope life will always keep you smiling and all of your dreams come true. We love you,  
Mom, Terry, Megan, and Kasey

**Nathan Saunders**

Nathan,  
Wow! Our little Nater-Jater has grown up to be a wonderful young man. You are a man of character - one who is steadfast, trustworthy and thoughtful. We love you and we're very proud of you! Enjoy the next part of life's journey!  
Love,  
Mom & Dad

**Christy Dolph**

Christy,  
We are so proud that you made it. I know it's been hard for you the last year, but you're proud you could do it. We're so proud. Just remember mom's always watching over you and she's proud too.  
Love always,  
Dad, Brandy, John, and Michael

**Emily West**

Emily,  
You have grown into such a beautiful person. I am so proud of you. You are the joy of my life. Congratulations,  
Mom

**Katie Nihart**

To our Katie,  
You make us so very proud. You are a beautiful, kind person and will be a great success in all that you do.  
We love you,  
Dad, Mom, and Lee

**Courtney Phillips**

As you climb the steps of life, we hope great things will come to you - with each step being more fulfilled than the last.  
Love you always,  
Mom, Dad, and Ryan.

**Kristie Alexander**

Kristie,  
Keep on smiling sweetie and you will bring joy to all the lives you touch - just like all the joy you have brought us. Congratulations and follow your dreams. We are so proud of you, and we love you!  
Dad, Mom, Elicia, and Cody.

**Matt Younce**

Matt,  
You have always been able to do whatever you have wanted. Never give up on your goals. We will always be proud of you.

Over the course of four years, a special bond develops between a class and its advisors - there is a collection of memories and a unique camaraderie that are formed. Mrs. Keyer and Ms. Middleton both have fond memories of building the Homecoming floats (the Village People and Saturday Night Fever), selling Krispy Kremes, and smoothie machines at Prom. Ms. Middleton also remembers working the track concession stand and cheese and pretzel flinging. Both ladies say they will miss the Class of 2005's ability to make them laugh. Mrs. Keyer adds that there was never a time she wasn't proud of this group. From the energy at float building to the boys' support of the girls at PowderPuff, the class of '05 always had class. As difficult as it is to say good-bye, Ms. Middleton leaves these words of advice, "Do what YOU want to do for your job or education - something you LIKE - it's not about the money! And know that you have people who love you."

Honoring the Best of the Class -- May 19, 2005

## Senior Awards Night

The class of 2005 is a talented group. Whether it be in the classroom, involvement in organizations, musical ability, or in the athletic arena, these students excel. Twenty-four members of the class of 2005 were given Academic Excellence Awards for maintaining at least a 3.0 G.P.A. while in high school. The accomplishments of these students did not go unnoticed by colleges or the armed forces, as the senior class earned approximately \$362,000 in scholarship money.

Also honored was Mrs. Keyer, who was voted Teacher of the Year by the graduating class. This was an extra special honor for Mrs. Keyer, as she is one of the senior class advisors. In a heartfelt thank-you, she shared a special quote from the novel "A Separate Peace," which forms her philosophy of teaching: "...when you really love something, then it loves you back...". Without a doubt, Mrs. Keyer loves teaching, and the class of 2005 showed that it does love her back.

May 27, 2005 -- The 132nd Graduation Ceremony at White Pigeon High School

# Graduation 2005

In the presence of a gym full of family and friends, the senior class of 2005 became alumni of White Pigeon High School. Addressing their classmates were top scholars Travis Copenhaver and Tony Komins. Both carried a perfect 4.0 GPA over their high school careers. Travis reminded his classmates that though they would grow apart as they go their own separate ways, they will always have the

shared experience of their school years at White Pigeon. In his address, Tony congratulated the class on their achievements and reminded them that they couldn't have done it without the support of their families and teachers. The senior slide show gave everyone a chance to take a walk down memory lane one last time together before receiving their diplomas.

Right: Seniors listen and wait for their turn to walk across the stage. There were 58 students in the Class of 2005, including two foreign exchange students.

## TWO YOUNG MEN + AN IDEA = SCHOOL NEWSPAPER

Freshmen Matt Miller and Drew Mercer felt the need for a student produced newspaper at WPHS after seeing one in the trophy case - and so The Tomahawk was born. They tried to include the student body by having a logo contest and holding a vote for favorite teacher. This year, 5 issues of the newspaper were printed and distributed and Matt and Drew hope to bring it back better than ever next year. Next year there will be two middle school students on staff to help cover middle school events. Matt and Drew feel the sky is the limit and that The Tomahawk may eventually be something that is distributed to the community. Both agree that the best part is the feeling of pride when they get to hand out the finished project.

# Academics

*Man's mind, once stretched by a new idea,  
never regains its original dimensions.*

*-- Oliver Wendell Holmes*

The 2004-05 school year brought a change from the traditional six period day (including a daily study hall) to a seven hour day that had a "floating" study hall once per week. Classes were shortened from 55 to 50 minutes. Students and teachers alike were challenged by the heavier workload.

The equestrian team is a fun, new activity for students interested in horses and competing in events with their horses.

Our equestrian team participated in the following events:

Showmanship, English Equitation, English Bareback, Western Equitation, Western Bareback, Trail, Flags, Cloverleaf, Down and Back, and Two Man Relay.

Caity Flood has been competing in equestrian events for 6 years and enjoyed being on the team this year because, "We got to compete against a lot more people – not just at county fairs or open shows." When asked about a season highlight, Caity commented, "Purple shirt boy was hot!"

"Good, better, best; never let it rest  
until your good is better  
and your better is best." -- Anon.

It was a great year for White Pigeon sports. The golf team won the St. Joe Valley league title again, the varsity volleyball and boys basketball teams won district titles, and the wrestling team captured its first district championship. Even if they weren't in uniform, WPHS students made sure to be at the games to support their fellow Chiefs - wearing their best and craziest red and black wear and cheering as loud as possible.

## Another Win For White Pigeon's Golf Team

### VICTORS!

The varsity golf team (L to R - Asst. Coach Olsen, Brian Denny, Dan Schutter, Marty Zander, Nick Olsen, David Blosser, Adam Hillman, and Coach Miller) poses with its trophy after shooting a 7 under par 209 at the Quincy Invitational. The Chiefs had 3 of the top 4 scores in the tournament. Dan Schutter had an excellent day, winning both the long drive contest and closest to the pin. His drive was measured at 314 yards.

Top Left: Benjamin the Beaver at the Beaver Creek Resort. Bottom Left: Jr. Brian Denny tees off on a par 3. Right: Jr. Nick Olsen crushes another drive down the middle of the fairway.

### Road Trip!

White Pigeon's Varsity Golf team meets at the high school before leaving for the Beaver Creek Resort. They spend 3 days at the resort, golfing 36 holes all 3 days. "It's a lot of fun to just go and get to golf and swim and have fun before the season starts. It's kinda the last time we get to screw around and have a good time before we really have to get serious," said Sr. Dan Schutter.

### A Celebration

The varsity golf team enjoys some food at a pool party to celebrate its undefeated record in the SJV.

# Student Life

And when they played they really played.  
And when they worked they really worked.

-- Dr. Seuss, *The King's Stilts*

Chief pride -- it's found in each student at White Pigeon High School. Shown at sporting events -- not even rain could dampen the spirit at the Homecoming game -- and it's shown in the halls on a daily basis, as red and black are always fashionable colors.

WP students can often be found challenging one another to a friendly game of ping-pong in the student lounge, chilling in the library with friends and exploring the World Wide Web, or enjoying subs from Subway as they hang out after school.

# Life in the U.S.A.

"One's heart should be planted in one's country, but one's eyes should survey the world."

White Pigeon had the privilege of hosting five foreign exchange students for the 2004-2005 school year. All agree the experience has changed them. They have all improved their English language skills and have grown more independent. Though it has been hard for them to be away from their families for ten months, they all have had a positive experience. In fact, Alisa Belchikova is planning to return next year in order to get her diploma. She would like to attend MSU or Northwestern University.

### Talking food...

Did you know that peanut butter is not available in Russia? It's one of Alisa's favorite foods and she plans to buy some to take back with her. The food in the United States received good reviews from all the students. Here are some of their faves:

Di & Angela - Steak  
Dana - Mexican/Chinese/Taco Bell  
Alisa - Olive Garden/Peanut Butter(PB&J sandwiches)  
Karen - Hashbrowns

# Homecoming

It seemed to creep up on us out of nowhere, and before we knew it, Spirit Week was underway. Throughout the week, students participated in dress-up days, lunch activities, floats, assemblies, parades and a penny pitch. By Friday night, when everything had been totaled up, the seniors had won.

## Monday

Students participated in Carney/Freak Show day. During lunch we tried throwing marshmallows into each other's mouths. The sophomores took first, seniors second, juniors third, and freshmen took fourth place.

## Tuesday

Many students dressed up for Different Animal day and the football toss went on during lunch. The freshmen won the dress up day and juniors took first in the toss.

## Wednesday

There were many sets of Twins and Triplets running around on this day. The seniors dominated this dress-up day, taking first place. However, the juniors came back during lunch and won the Mind Reading activity.

## Thursday

Mix and Match was the theme today. Students wore anything and everything, as long as the items of clothing didn't compliment each other. Going to the girls basketball game also earned your class points.

## Friday

As people dressed in red and black, school spirit filled the atmosphere. Many different games were tried out this year at the assembly. WPHS paraded around town with its varsity sports teams, floats, and homecoming representatives. And, just like that, Homecoming Week 2004 had come and gone.

## Post-Prom 2005

Approximately 90 students took advantage of the after-prom option, which took them to Airway Lanes in Kalamazoo for a night of friendship, food, bowling, laser tag, bumper cars, and arcade games. Although the Cardinal charter busses forgot to come to school on time, Mrs. Starmann was able to make some phone calls and get them to school. Thus, the festivities got underway a bit later than anticipated, but no one let that bother them.

On the bus ride, drawings took place for smaller prizes, while the big prize drawings didn't take place until the next morning. Before leaving Kalamazoo, the group headed to Krispy Kreme for doughnuts and cappuccino. All were ready for a nap by the time the busses got back to White Pigeon.

## Cheer On!

As indicated by the name, "middle" school is a time of transition - the time in between elementary school and high school. It is, however, also a beginning of tradition. As 7th and 8th graders, students put on Chief uniforms and compete in the high school gym. They also have the opportunity to take part in the Middle School Talent Show, Youth in Government, Math Meet, Science Olympiad, Quiz Bowl, and go to Cedar Point.

CONGRATULATIONS MICHAEL SCHMELING & ANDY  
KISER  
CLASS OF 2005!

*"Who we are when we begin the journey is not, of course, who we are when we end.*

We are not the same people we were when we came to WPHS on August 23, 2004. We did not know what the year would bring. Each person we met, and every experience we had, affected us - and we were changed.

*The journey of and by itself, shapes and forms us, and often we arrive at a destination a bit differently from the way we anticipated."*

*-- Leila Christenbury*

The fifty-fourth volume of *Wahbememe* was printed by Jostens in Clarksville, TN. In early sales, 112 books were sold for \$35. Under the guidance of Jostens rep. Greg Cooper and first-year yearbook advisor Ms. Bernier, the book was created online for the first time using the Jostens Yearbook Avenue web site. We would like to thank the following people who contributed to the production of this book: Barb Niblock, Mr. Murphy, Steven Ertz, The Sturgis Journal, Dick Carter, Mr. Pat West, Mrs. Pam Gates, Mrs. Jeanne Harris, and Mrs. Jackie Besser.
