# "Everything You've Never Expected"

*White Pigeon High School Student Life*

The 2006/2007 school year started out like fire works with one heck of a bang. The students were attending football games before classes began. The 8th graders moved to the high school, "fresh meat", as the new 7th graders moved in. The graduating class of 2007 really was the class from heaven, they really wanted to be something more. Homecoming started off great with our second big win of the season. The Senior girls defeated the Juniors in our annual Powder Puff game. The entire student body pitched in to help build the floats and participated in a fun spirit week. The crowd supported the boys at Tomahawk even though facing disappointed hopes. For our first time in 10 years our White Pigeon boys Wrestling team defeated Constantine. The men's

Basketball team played their hearts out this season. The winter months began with WinterFest, which was incredible. Our theme was, "A City of Our Own". Everyone was in the swing of things and waiting for the upcoming events; Youth in Government, Science Olympiad, and Quiz Bowl. The entire student body was more then ready to get away for a week on Spring Break, but before we knew it, we were back and ready to complete our final adventure. On the last big event, Juniors and Seniors gathered for our 2007 Prom, "A Red Carpet Affair". As the Seniors remember their past 4 years, they came together on graduation night, for one last memory.

# Rockin' It Out

## Football Homecoming 2006

White Pigeon's 2006 Homecoming week started off as a busy week with an unexpected ending. There was powder puff practices for the Senior and Junior girls, float buildings, and the big football game against the Centreville Bulldogs. Throughout out the week, each day had a different dress-up theme, which were "Chess Piece Day," "Rockstar Day," "What Were You Thinking Day," "Celebrity Day," and the "Traditional Red and Black Day." By the end of the week, Seniors dominated the Juniors in powder puff (20-0). The Seniors won both in the class and float competitions. Best yet, the WPHS Varsity Football team beat Centreville (19-16). What a way to end the week!

**Sophomore Hall - London**  
4th Place

*This year's Winterfest theme was "Big Cities!" The Seniors' big city was Tokyo, the Juniors' was Paris, the Sophomores' chose London, and the Freshmen had Rio De Janeiro. The dress up days were Mardi Gras, Voque Day, Toga Day, Oriental Day, and Red & Black Day. For the competition between classes, everyone had to decorate a hallway to represent their city. The Senior class won with Tokyo. For the Winterfest basketball game, the boys played Mendon. The court was announced before the game and the Prince and Princess were Nic Harrington and Jenny Gest. Court reps had to dress up for each day, present an act at the lip sync, and write an essay on what city in the U.S. they would want live in most. The game was followed by the Winterfest dance. This year's Winterfest was very stressful being a week after exams, but turned out to be a big success.*

*In White Pigeon, academics are the keys to success. We strive to involve all students in class discussions and projects. From the core academic classes to the elective courses offered, the staff at WPHS search to include innovative teaching methods in their lessons. Walking through certain classes on a given day you may find a Spanish class constructing pinatas, an English class acting out skits, a Drama group working on their lines for the annual drama production, various students working on a power point presentation, and the endless list could go on. Bottom line, WPHS offers variety and a place where students can keep busy academically.*

The White Pigeon High School yearbook staff had a large responsibility put on them this year with only 8 students to accomplish their necessary tasks. Besides having to raise thousands of dollars and handle the financial issues that are associated with the making of a yearbook, they had to create a 128 page volume filled with the unexpected memories of 2006-2007 school year. Thanks to Juniors, Jenny Harris & Anna Schmeling, and Seniors, Kaila Barton, Jenny Gest, Jannick Himmer, Rachel Kauffman, Amberly Krajniak, & Stephanie Vance, another successful yearbook was created. For her second year, Mrs. Roberts advised this group of talented Juniors and Seniors.

Yearbook Staff

Among the numerous sports and a long list of activities and events that students at WPHS can get involved in, there is the distinguished clubs and organizations that students have to work so hard to be qualified for! Student Council, National Honors Society, Youth In Government, Science Olympiad, Quiz Bowl, Class Officers, Equestrian Team, and Interact Club are some of the options students have when they want to join a club or organization. To be one of WPHS' "Who's Who?" you must make the grades and be well respected by your peers. These are certainly not jobs for those who don't like to be busy. And if you are one to be in several clubs you might find yourself being inducted into NHS one evening, taking a trip to the children's hospital another day, collecting food for a food drive during school, and setting up for a dance or lip sync concert as well! Many events and meetings could all fall on the same day or during A.C. at the same time. These students are some of WPHS' finest and also support the finest. A big thanks goes out to the students who get involved and the students who get involved because of our clubs and organizations. We can also thank staff like Mr. Gropp, Mrs. Jarrad, Ms. Middleton, Mr. Brokaw, Ms. Anderson, Mr. Sosinski, Mrs. Poley, Mrs. Harris, Mr. Shoppell, Mrs. Roberts, Ms. Campbell, and Mrs. Flood for taking on the supervising positions that goes with clubs and organizations. A lot of work goes into making these groups work together to accomplish many tasks and everyone plays a part!

The students attend only a few quiz bowl competitions throughout the year, however, they are able to get a taste of what other schools are doing to prepare for such competitions. Quiz Bowl uses Academic Center to prepare for their competitions, review potential question material, and plan their strategy for upcoming competitions. ## White Pigeon Junior Varsity Football

This year's 2006-2007 Varsity football team was coached by Jason Vogel, Mike Gropp, and Tom Krull. The Captains were Seniors, John Poley, Adam Zapata, Matt Thomas, and Ian Copenhaver. The most unexpected event that occurred this year was beating Centreville during Homecoming. Sophomore, Stetson Gearhart, broke many records for the Chiefs this year. Also as a team, they broke several records. Coach Vogel comments on the season, "The 2006 season was full of ups and downs. We started the season off slow, gained some valuable experience, and finished the season off winning three of our last five games. We are losing a great group of seniors, but we will move forward with the lessons we learned in 2006."

The Junior Varsity football team was coached by Chad Arnett, Gabe Macias, and Brett Kropsey. The Captains were Sophomores, Alan Harrington and Tyler Wagner, and Freshmen, Dain Hurley and Alex Krajniak.

## Varsity Football Cheerleading

The 2006 Varsity Football Cheerleading season was under new leadership that continued some of the cheerleading principles put into place the previous year. The girls were excited at the start of the season and cheered towards a hopeful winter season. Coaches, Paula Meadows and Kathi Keith took charge. This team experienced a great win during the White Pigeon vs. Centreville Homecoming football game and cheered the boys to victory the last 3 out of 5 football games. Senior Captains, Kayla Skeels and Stephanie Vance with Junior Co-Captain, Amber Meadows, learned what it took to hold a cheerleading squad together. Thanks for all the spirit ladies!

## Cross Country

This year's WPHS Cross Country coach was Pete Mestelle. The team wasn't about quantity, but more about quality. Even though this team was small, they all worked hard during practices and pushed each other during meets to get better and improve their times.

"What is something that happened this season that you never expected?"

This year's team started off really strong with a win against Lawrence. They followed up with a win against Sturgis for the first time ever! The girls struggled throughout the middle of the season until the Constantine game, when the ladies came out ahead and won. The Lady Chiefs continued to make improvements and proved it by playing an intense district game against Marcellus. Although they didn't quite make it, they played with a lot of heart and always gave it their all. At the awards banquet, Captain,

Katelyn Nussbaum, received the MVP award. Senior, Jessica Weatherwax, received Coach's award and MIP award. For league awards, Nussbaum received All League, Junior, Brittney Baechler, received Honorable Mention, and Freshman, Morgan Gropp, received Special Mention. Even though the record didn't show it, the Varsity Lady Chiefs worked hard and had a memorable season.

## Junior Varsity and Varsity Golf

Our golf team had an incredible successful season this year. The Junior Varsity Team, coached by Mr. Jay Sosinski, won, besides some battles with three-legged dogs, basically all their matches. Coached by Mr. Mark Olsen and Mr. Al Kershner, the Varsity team won the District and Regional Finals. On the whole, they participated at 17 events and they won 7 of them. This is now their 5th straight League title, their 3rd straight Regional Championship, and their 5th straight year finishing top 10 in state. Led by Conference MVP, Chase Olsen, the Varsity team will "only" lose one senior this year, which lets us hope for even bigger successes in the coming years.

Above: Sophomore, Chase Olsen follows the ball to go for another win. He is the first White Pigeon player winning 13 of all the 15 stroke play tournaments this year. # Chiefs Go't Spirit!

The WPHS Varsity Basketball Sideline Cheer Squad had a more relaxed season compared to the previous year of trying to balance the schedules of sideline and competitive cheer. With a host of parents and former coach, Mrs. Roberts, the girl's focus was keeping up the spirits of the men's basketball teams and keeping in shape for the next cheering season. A smaller group with underclassmen, also led this squad to go back to the basics of cheerleading in order to form a stronger and more experienced team for the future.

*This Year there was a J.V. and Freshmen team, though they shared practice times together, they worked to become better. The J.V. had a good season, they worked well as a team, pushed each other and played with intensity. As for the Freshmen team, even though they had less games, they had a pretty good season as well, ending with an overall record of (9-4). The girls all got playing time and gained a lot of experience.*

## JV & Varsity Wrestling

The 2006/2007 season was another very successful one for the White Pigeon High School Wrestling Team. The hard work that every JV and Varsity athlete put in every single practice and match paid off as we are the 2006/2007 Team District Champions and Regional Finalists. After falling short in the last years, the team also beat Constantine in an exciting match.

Led by the Seniors, Daryus Anderson, Mike Middaugh and John Poley, who each passed the 100 career win barrier, the Chief Wrestlers finished 2nd at the Cassopolis Invitational, 4th at the Bellevue Invitational and 1st in our own tournament.

# Spring Sports

*This year at WPHS spring sports were hot, including Softball, Baseball, and Track. Mr. Shawn Strawser, coached the boy's track team and Mr. Gary Shoppell, coached the girls. Junior, Tiffany Calhoun broke the shot put record of 41 plus ft. All the track athletes ran their hearts out this season. Softball, coached by Mrs. Jacqui Roberts, and assisted by Mrs. Leslie Gearhart, won four out of their five last games. This year the girls had improved tons and had a great building season. They will lose no seniors and come back stronger next year! Baseball was coached by Mr. Cliff Eger and assisted by John Earhardt and Ken Kruska. Baseball has improved so much this year as well and had a lot of support at the games by family and friends. Softball and Baseball both won their pre-district games against Howardsville, what a way to start out their district match-ups.*

# Batter Up!

## V a r s i t y B a s e b a l l

Led by a new coaching staff this year, the White Pigeon Varsity Baseball Team came out with some very young, but talented group of athletes. Pitching was strong with a variety of players to choose from. Among those were Ryan Slack, Mitch Wolf, Andrew Eger, and Tyler Wagner. Behind the plate we found Eger, Tyler Block, and Artie Smith. Colin Tetzloff, Smith, Codee Workman, Wolf, Slack, and Block were found in the infield. Outfielders consisted of Tommy Bailey, Matt Saunders, Tyler Nichols, Jimmy Swinehart, Workman, Ryan Shoemsmith, and Slack. The team looks ahead to next year and more success. They will only lose 1 senior after this season.

Every semester, the Student Council hosts the American Red Cross Blood Drive in the gym at White Pigeon High School. This fall semester was extremely successful. There were donors ranging from high school juniors and seniors, to people living in the community. Overall, there were 34 pints of blood donated. Our award for "Most Dramatic Faint" was senior, Rachel Kauffman. The favorite quote of that event was from none other than freshman, Holly Krull with "It's ok guys, she's just faking it!" Other than that small episode, the day ran very smoothly and pints of blood were donated to SAVE THE WORLD!

## Chiefs VS. Falcons

# TOMAHAWK

The yearly battle between Constantine and White Pigeon is one of the oldest high school gidiron wars in Southern Michigan. The series dates back to 1924. The two teams played for possession of the Tomahawk. The Tomahawk was found by R.J. Melzer near the grave of the white settlers' friend, Chief White Pigeon.

Pages By: Jenny Harris

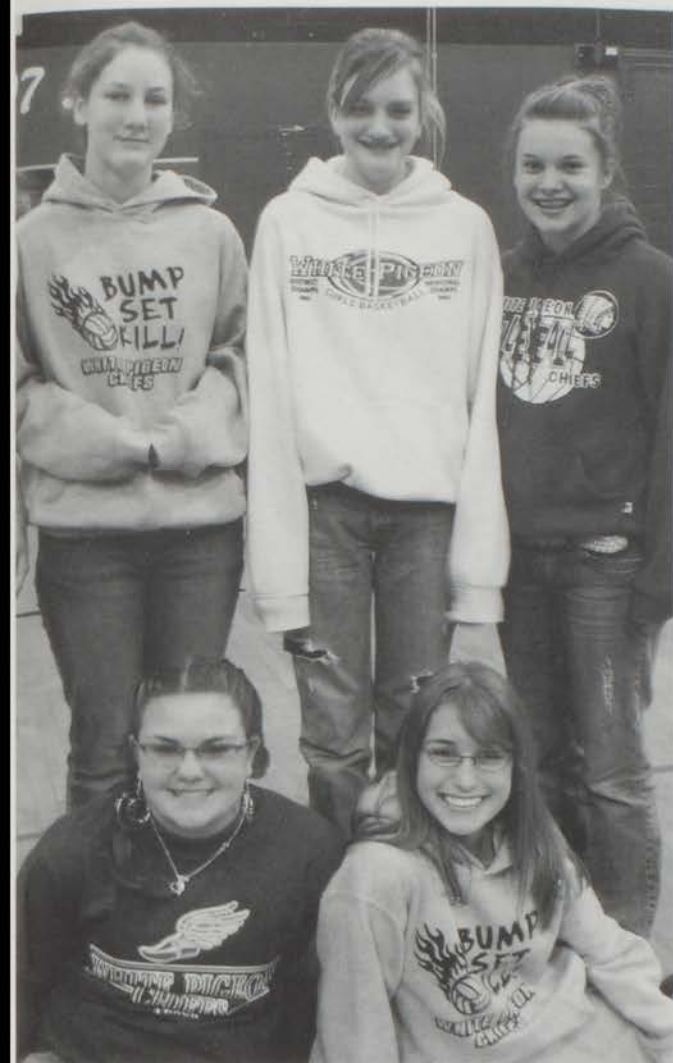

Rumor has it that this may actually be the Tomahawk of the warrior, Wahbahmeme White Pigeon. When the Chief was buried with his weapons to be used in the happy hunting ground, his tomahawk was missing. Chief Wahbahmeme White Pigeon is buried by a boulder near the White Pigeon Police Post.

# White Pigeon Middle School

Beating the meap, selling fruit, being entertained by Craig Tournquist, and going to Cedar Point are all in a year's work and fun for the White Pigeon Middle School staff and their energetic group of 7th and 8th graders. Mrs. Poley, Mrs. Beegle, Ms. Campbell, Mrs. Williams, Mrs. Myers, Mr. Vogel, Mrs. Lori, and Ms. Theime are in charge and proud to be! This fine group of teachers teach a variety

of classes and even incorporate some non-core academic courses such as careers and computers. This middle school group even got a break from the classroom and busted some moves on the dance floor of what was for some, their first middle school dance; hosted by the Sophomore Class of 2009. Good Luck to the 8th graders, as you soon will be new "fresh meat" and to the 7th graders, who will rule the middle school next fall.

"EVERYTHING YOU'VE NEVER EXPECTED"

THE CLASS OF 2007, IS FINALLY FINISHING THEIR LAST YEAR OF HIGH SCHOOL. THE DECISIONS ARE STILL LEFT ON WHERE TO GO FOR COLLEGE AND WHAT TO DO TO GET READY FOR GRADUATION. FROM THE 4 YEARS OF HIGH SCHOOL THAT WENT BY, THE SENIORS WILL HAVE A LOT OF MEMORIES TO REMEMBER AND MORE TO LOOK FORWARD TO IN THE FUTURE. PLAYING SPORTS IN HIGH SCHOOL, MOVING UP TO THE VARSITY LEVEL, COMPETING IN CLASS COMPETITIONS, AND GOING TO PEP RALLIES ARE JUST A FEW OF THE FUN TIMES. DECORATING THE GYM, HALLS, AND FLOAT BUILDINGS FOR HOMECOMING AND WINTERFEST ARE JUST A FEW MORE. FINALLY BEING ABLE TO PLAY POWDER PUFF AND GOING TO PROM IS AT THE TOP AS WELL. ALSO, THERE IS THE NOT SO FUN STUFF, SUCH AS BEING OVERLOADED ON HOMEWORK, TAKING EXAMS, AND TAKING THE ACT'S FOR THE FIRST TIME. WITH SENIORS BEING READY TO MOVE ON, AND TAKE THE NEXT STEP, THEY WILL ALWAYS BE LEFT WITH THE MEMORIES MADE AT WHITE PIGEON HIGH SCHOOL.

## CLASS OF 2007 SENIOR AWARDS NIGHT

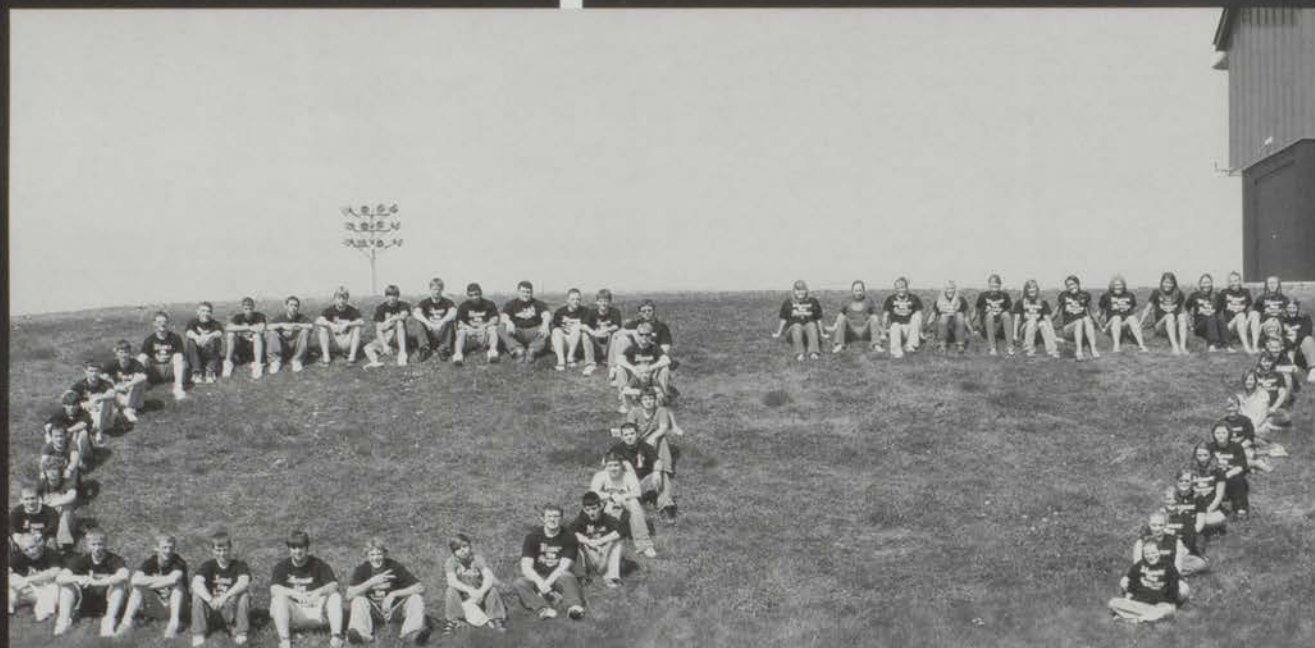

# WPHS GRADUATION

## CLASS OF 2007

*Graduation preparations began in early May as the Class of 2007 were quickly approaching the final day of school; May 18, 2007. The seniors needed to get final mock election snapshots, take a class photo, attend prom, senior awards night, senior breakfast, and graduation practice, all before Friday, June 1, 2007 arrived. There were graduation parties to plan and senior exit interviews to be ready and prepped for. All of this led to the main event, the 2007 White Pigeon High School Graduation! Things began to fall into place, and the Class of 2007 was able to enjoy the memories captured in the 2007 Senior Slide show. Hats off to the Class of 2007 for their dedication and determination. We wish the seniors the best of luck and congratulate them for their accomplishments with White Pigeon Community Schools!*

*Left:* Senior, JoAnn Whitlow accepts her diploma from Superintendent, Mr. Schneider. *Above Top:* Senior, Rachel Kauffman is all smiles when accepting her diploma. *Above Bottom:* Senior, Stacey Irelan helps Senior, Ashley Stevens look her best before the graduation ceremony kicks off.
