Take 2012

Let the cameras roll! From the first day of school to the last day, yearbook students document the events that happen at our building.

The school year began under the direction of our new Principal, Mr. Jon Keyer and our new Dean of Students/Athletic Director, Mr. Joel Messenger. Students were introduced to a new program called Chief Pride – it's all about Respect, Responsibility and Relationships . . . and we were off to a great start to our year.

Follow us through the pages of this book and enjoy your look back at the events recorded during the 2011 - 2012 school year.

Seniors Last Days

Page By: Taylor Hagen

Do I get the job? Taylor Connell presented her portfolio to Barb Ni-block and Dan Cropsey during her exit interview.

Anyone want to race? Driver Joel Miller and passenger Jake Saunders get ready to drive around the school.

Looks good! Trudi Gloy and Marv Schneider showed Andrew Jordan his exit interview scores after he presented his portfolio.

How do you like your eggs? Seniors devoured a delicious home made breakfast in the library provided for them by their parents. Parents served up the meals with every possible breakfast choice the students wanted to eat. Students chose between a variety of foods which included; fruit, cinnamon rolls, scrambled eggs, bacon, donuts, sausage links, biscuits and sausage gravy, and french toast. Teachers served the students a selection of drinks to go along with their meal. Having breakfast together was a nice way to end our time together.

Wee! Driver, Taylor Hagen and passenger, Jordan Phelps speed along in their dune buggy during the Senior drive around.

I'm so nervous! Ashley Colvin, Brandon Summers, and Jake Schmidendorff await the results of their Senior exit interviews.

I'll take you for a ride in my big blue tractor! Josh Miller gave Morgan DeMeyer a lift for the Senior drive around.

Yummy! Seniors enjoy their last lunch in the courtyard. The building staff donated money to purchase the cookout food.

I'm hungry! Marshall Block and Emili Axe wait in line for their food at the cookout. Hamburgers and hot dogs were cooked by Mr. Gropp.

Did I really write that? Jordan Phelps opened the letter she wrote to herself in eighth grade. As eighth graders we were asked to write letters for our time capsule knowing that we would open these our Senior year to see how much we've grown. All the Seniors had fun reminiscing about their middle school friendships, and relationships.

Students like Jessica Hoover, who were not here during eighth grade, wished they would have had the opportunity to write time capsule letters when they were in eighth grade.

Class Song: Tattoos on this Town Class Flower: Fire and Ice Rose

Tired? Stacey Kochenderfer and Aspen Eymer watch "She's the Man" while relaxing in their comfy chairs on their long trip to Ohio. The Seniors had to be at the school by 7 am to board the bus.

We aren't dry anymore! Nicole Lane and Naomi Carmona have just escaped the treacherous waters of Snake River Falls. They went up an 82 foot mountain of water, and seconds later, dropped 80 feet at a 50 degree angle.

Chow time! The Seniors took a break from riding roller coasters to eat the lunch provided by their advisors. Students also had wristbands they used to get free drinks all day.

One of the last things the Seniors do every year is go on a trip together as a class, with their class advisors. This year the Seniors chose to go to Cedar Point. The Seniors took a Charter bus to Sandusky, Ohio, where Cedar Point is located. The Senior Class advisors, Mr. Gropp and Mrs. Jarrad brought lots of hot dogs, hot dog buns, hamburgers, chips, cookies, and lots of other goodies. The Seniors had a grand 'ol time!

Page By: Cody McKnight

Oh wow! That's one massive animal! Kody Kopf shows off the prize that he won at a throwing game. Kody had to see how many pins he could knock over in one minute with an unlimited number of balls to throw.

We're leaving already? Tyler Chantrenne sits in his comfy charter bus seat and isn't anxious to leave. The three hour ride home always seems longer than the ride there. There were movies on the bus to help keep the Seniors entertained.

We are family! Some of the Seniors took time out of their busy day to get a group picture taken. "I loved Cedar Point! It was never ending awesomeness!" said Marshall Block.

"This season was great! We didn't have very many people running Cross Country this year but we made the best of it. We were like family, everyone was encouraging and friendly to each other. I'm going to miss all the seniors."

- Coach Pete Mestelle

Running at a great pace is Senior Alyssa Wright. Alyssa had a great season, starting off with a time of 28:23 at our home meet. Her quickest time all season was 24:19.

Off to a great start! Seniors Jessica Harmon, Taylor Hagen, Alyssa Wright and Freshman Cyndi Flood take off strong at their Mendon meet. Cyndi ended with her personal best time of 27:27.

Pushing himself towards success is Senior Tyler Chantrenne. "The faster you run, the quicker you're done," stated Tyler. He ran a time of 19:33 at the Regional meet in Portage.

Determined to do his best, Sophomore Jaime Rangel, really pushed himself at the Regional meet in Portage. He ended with a time of 19:53, his second best time of the season.

It's a race to the finish! Senior Taylor Hagen tries to beat out her Centerville opponent at the County Meet in Three Rivers. In the end, Taylor out ran her opponent completing the race with a time of 28:51.

Striving for the finish! Senior Alicia Clark ran her fastest time of 29:38 at the Regionals meet in Portage, it was the most important meet for her. "I ran so hard at the end, there was a girl neck and neck with me but I whooped her!" exclaimed Alicia.

FOOTBALL CHEER

Bringin' it back...OLD SCHOOL. The theme for WP cheer and style is changing. The coaches and team made changes to different aspects of WP Cheer this year to bring back some "spirit" to the sport, all to prepare for the upcoming Competitive Season. The Football Sideline Team also worked hard all season to complete various projects. They raised money from a fund raiser to help pay for a private stunt clinic with a Cheer Michigan Director, practiced stunting and improving their skills, learned a dance routine to present at the Homecoming Assembly and to Central Elementary students, and most importantly cheered for our boys.

- Coach Holly Strawser

GO!

All Smiles! Junior Brittany Shook gets excited while pumping up the crowd at the varsity football game.

FIGHT!

Hey crowd! Senior Ashley Colvin and her team fire up the student section with their favorite "stomp your feet" chant.

WIN!

Are you ready to RUMBLE? Sophomore Megan Keith cheers with the crowd during a time out at the home football game.

Light it up, like it's DYNAMITE! The Football Cheerleaders dance away to Taio Cruz's popular song "Dynamite" for the student body during the homecoming assembly. The cheerleaders and Coach Holly Strawser choreographed a dance to get everyone pumped up.

Livin it up, and doing it BIG! Sophomore Jasmyn Reeves looks deep into the crowd as she performs an extension during the homecoming assembly. This was also part of their dance. "Going back to the basics of cheer was a lot of fun!"

Take em' down! Senior Nose Guard, Johnny Tullos tackled a Union City opponent to prevent the Chargers from gaining on the field.

Senior captains: Zach Gropp, Johnny Tullos, Joel Miller, and Casey Byler.

The 2011 season was rough for the Chiefs. White Pigeon fielded an extremely young varsity squad and played one of the toughest schedules in school history. Overall the Chiefs finished 2nd place in the SJV for the 4th straight year beating both Bronson and Centreville. They also lost in close games to playoff qualifier Cassopolis, district finalist Union City, and regional finalist Climax-Scotts. The experience garnered during 2011 will help the program in the future as many starters will return to play for years to come. We can not forget our seniors though as they proved to be a hardworking group of young men. Zach Gropp, Casey Byler, John Tullos, Joel Miller, Austin Johnson, Zach Bedard, Zach Dok, and Austin Dean will be missed in the future.

- Coach Jason Vogel

Keeping his eyes focused to throw a perfect pass is Senior Quarterback, Zach Gropp. The Chiefs battled hard against Union City that night.

And stay down! Junior Cornerback, Eric Anderson tackled Berrien Spring's Wide Receiver to the ground of the Chief's home field.

Fighting to get through to help block around the edge is Senior Joel Miller. Junior Drew Sellers also played hard to block Union City's Linebacker.

"This was a good year for our JV football team, being young, learning new offense and defense schemes. This year we weren't sure what to expect when the season started. Everyone quickly caught on to the new concepts and showed why they are an exciting team to watch. We showed improvement every week working hard in practice, and having fun in games. After graduating most of the team's height and experience from a very successful 2010 team, the 2011 varsity volleyball squad had a lot of obstacles to overcome. It became clear early on that, although the athletes were smaller in stature, they were large in heart, drive, and determination.

The 2011 Lady Chiefs finished with 41 wins, four tournament championships, a quad championship, and a couple runner-up results to cap off a season that far exceeded everyone's expectations. The girls had great chemistry and respect for one another which created a nice environment for the younger players to grow into the varsity-caliber players needed to be successful in the always tough SJV.

"This team practiced hard, competed with intensity, and made their own success. They were a lot of fun to coach and watch play," said Coach Hooley.

Junior Dani Hochstetler was very helpful up at the net this season, since the team lost most of its height from last year.

Junior Kayla Mishler sets the ball to an outside attacker during the Bronson game.

Bump, set, kill! Sophomore Bethany Hagner attempts to hit through Northridge's sloppy block.

Perfection! Senior Sara Anderson makes the perfect pass to start out the offense. Sara's passing percentage was one of the highest on the team.

Front row: Ashley Miller (11), Emmi Axe (12), Kayla Mishler (11), Morgan DeMeyer (12), Nikki Prouty (11), Jordan Phelps (12), Rachel Brock (10), and Bethany Hagner (10). Back row: Manager Shanna Hagner (6), Assistant Coach John Hagner, Sara Anderson (12), Atty Flood (12), Amy Nussbaum (12), Dani Hochstetler (11), Head Coach Tony Hooley, and Assistant Coach Lori Thomas.

Digging up a hard Mendon attack is Sophomore Rachel Brock. The Lady Chiefs played five hard-fought games against the Hornets.

Down and ready to move wherever the ball may go is Junior Nikki Prouty. Anticipating the ball's movement is a very important part of volleyball.

Serving up aces at the Michiana Quad is Junior Ashley Miller. The middle blocker could always be counted on to get her serve over the net.

Covering the block tightly is Senior Jordan Phelps. Jordan was a reliable back row defender.

Get ready, Paige! Junior Paige Goldman waits to make her move in the game.

"We had a season full of ups and downs but, overall, it was a ton of fun! Looking forward to the upcoming season!"

-Coach Dibble

Wow! The crowd watches as Cyndi Flood tips the ball over the net in a match against the Mendon Hornets. "Volleyball is really fun, but playing on the JV team was like a whole new experience for me. I had a lot of fun!" said Freshman Cyndi Flood.

C'mon ball, get down here! Freshman Danielle Chantrenne waits to make her move on an oncoming ball during a game. "Volleyball was really fun this season and I enjoyed hanging out with my friends," said Danielle.

Look Ma, no hands! Sophomore Allie Bailey takes time out of practice to get her picture taken. "I loved being able to see my friends at practice," said Allie.

This year's group of girls basketball players were winners. The score might not have always indicated that, but in every other way you can measure a winner this team had it. Tremendous leadership, unquestioned heart and tenacity, and most importantly they were great ambassadors of White Pigeon. Two all-conference selections, nine scholar athletes, and a team grade point average of 3.71, this was a team full of winners even if their record doesn't necessarily show it.

We also tied for 1st in league losing only one game. The team was lead by captains Haley Miller, Bethany Hagner, and Allie Bailey. The team worked hard to improve daily. I want to thank all of the young ladies for their hard work and commitment to playing winning basketball. To the soon to be upperclassmen, I expect the hard work to continue at the varsity level. To the underclassmen I expect that you will carry on the winning attitude from this year. Good luck ladies.

What I am most proud of this group was the commendable character they displayed and their ability to persevere through that adversity this season. COMPETITIVE CHEER

First Team All-Conference

"Being the only senior on our team, I felt the need to step up and be a leader this year. We did pretty well being a small team. We worked hard all season and got to show it off at our Regional Competition."

- Ashley Colvin (12)

"This season was definitely one to remember! From going old school, to having one of the smallest teams on the mat. We had great team chemistry and worked hard to overcome any situation that came our way."

- Nikki Prouty (11)

"As a junior, this season has been a great year. I am really looking forward to next year and improving as a team and with my skills. Although I will miss our only senior and my best friend Ashley Colvin."

-Jordan Ragsdale (11)

Along with screaming, kicking, and the crazy facials, comes a cheerleaders favorite thing...Stunting! Stunting is very important. Especially the bases. First there's the main base. She holds all the weight. Then there's the base who holds on for stability. But the most important part is the back spot. She controls the stunt to make sure everything is stuck perfectly.

You better look out, we're coming after you! The girls showed off their perfect heel stretches in round two. The cheerleaders competed at Thornapple Kellogg High School and took third place.

We took it "back to basics" this year for the 2011-2012 Competitive Cheer Season. With only a team of seven girls we reached quite a few goals by changing the style of White Pigeon Cheer. It takes a lot of hard work and dedication for such a small team to compete with some of the larger teams but we pulled it off. Competitive Cheer takes pride, courage, and strength, which is what this team had this year and will continue to have because of the love these girls have for the sport. Great Job Ladies!

Student Life

Freshmen students showed off what they will look like in the future. The old man to your left is none other than Junior Michael Miller. "I see myself living with my parents until I out live them," said Michael.

Yee haw! The Junior class dress up in their western gear for Western Day. A big thumbs up for Sophomore Haley Miller for showing her western cowgirl spirit.

Dress It Up!

Meow! Atty Flood Senior supports the senior class on mask day. The Freshman class came up with the idea to wear "Zoo Pals" as their masks to lead them in points on mask day.

Junior Cory Skeels, our Chief Mascot, raises the spirit of his fellow class mates. "Just living on the family tradition. You have to be outgoing," said Cory on why he chose to be our mascot. Junior Aaron Hochstetler joined him as he pumped up his teammates before the big game. Senior Cassidy Graber, supports her class by wearing spirit beads on red and black day.

Freshmen Riley Olsen, Dylan Hochstetler, Mike Crowl, and Donavon Gremore wear their "I'm with stupid" shirts. To the left Freshmen Trampus Whitaker and Carlos Check Cinco show their inner twin together for twin day.

the game.

Traditions are meant to be kept! The Junior and Senior girls practiced for two long weeks in preparation for the big fight ahead of them. After going into overtime, the final score of the game was 6-6, a dead tie. Both teams gave their all but no team could seem to top the other. When asked how she felt about tying, Senior captain Morgan DeMeyer replied "I wish we would've won but the juniors played tough, I'm just glad we didn't lose!" A big thanks goes out to the Junior and Senior coaches and the outstanding officials, Mr. Joe Morsaw, Mr. Jason Vogel, Mr. Adam Maisel, and Mr. Joel Messenger.

Parade and Assembly

You can do it! Sophomore Rachel Brock is working her way into this frozen t-shirt at the homecoming assembly. This was an activity that took quite a long time, they even had to take this activity outside to throw the shirts against a brick wall. But in the end, Rachel was able to rip, tear, and even bite her way into this shirt. "I put in a lot of effort, and worked really hard, but in the end I was basically a beast," said Rachel.

Got strength? Senior Shawn Martin sure does! While competing at the homecoming assembly Shawn does his best to keep the weights up. Unfortunately, Shawn couldn't hold on as long as Junior Richie DeBruine.

Drum roll please! The drum line shows off their skills while performing at the homecoming assembly. From spelling out "Chiefs" to shaking their booties, the drum line sure makes the assemblies fun for everyone!

Splat! Junior Aaron Hochstetler launches his egg right towards his opponent, Senior Shawn Martin. This was not the only challenge at the assembly that left people a little bit messy when it was all done and over with.

Here comes the Varsity Volleyball, Girls Cross Country and Junior Varsity Volleyball teams. "All I can remember is that it was so cold that day!" said Senior Taylor Hagen.

Waving like royalty are a couple of the queen candidates. Seniors, Morgan DeMeyer and Atty Flood are nothing but smiles at this homecoming parade.

Roundin' out the end of this parade is Senior Courtney Connell with her horse, Rusty. Courtney has been bringing up the rear of the homecoming parades for two years now.

We're the two best friends that anybody could have! Sophomores, Taylor Longacre and Megha Patel are quite happy with their performance as band members during the parade.

Homecoming Court

Despite the pouring rain, moving the crowning of the King and Queen inside, and several postponements of the game, we managed to make Homecoming night a success. Friday nights' storm forced the halftime festivities indoors. The crowd and court moved themselves quickly into the gym where the crowning of King and Queen took place. The 2011 Homecoming King and Queen were Johnny Tullos and Amy Nussbaum. After the halftime festivities, the weather cleared up enough for the game to go on. The football team went back out, played hard, and defeated the Centreville Bulldogs 40-0! When asked how her Senior Homecoming went Amy Nussbaum said, "Even though Homecoming was a bit different this year, it was still awesome and definitely a memorable time. I was surprised I won queen, but it was a special moment for me and I was really happy that I was voted to be the queen of Homecoming."

Freshman Camp Eberhart

By: Michael Christian Miller

Hang on tight!
Sydney Ponko carefully took her time stepping onto the stairs while climbing around on the high ropes.

SUPER DUPER excited to be able to spend a school day at camp with his entire class is Dylan Hochstetler (left), who is just amazed at how much fun the day has been. Shelby Robinson (right) and Alexis Walters wait for their turn to come, and wish the "liquid sunshine" would disappear.

Look at me!
Carlos Check Cinco bravely turns around for a quick look at his friends below before he finished his climb to the very top.

"I would say my favorite part about the camp would have to be the high ropes and seeing how high you are from the ground," said Ryan Kemp and Mayra Montoya agreed.

Volunteer student leaders, like Michael Anderson, were able to help keep their classmates safe as they tended safety lines at the rock wall.

Each year the Freshman class visits Camp Eberhart for a day filled with team building and leadership activities. Students participate in activities such as the high ropes course, the rock climbing wall and archers. Students work with one another and true leaders emerge as they encourage one another to give it their all.

Hook me up!
Alyvia Axe gets into her harness with the help of the high ropes guide and prepared to begin her journey through the trees.

Alaina Maas, (left) is all thumbs up and amazed at how much fun participating in the day's activities has been. Blake Groves and Kamryn Six (right) listen to the instructor explain how to use a bow and line up the arrows on the target. They were both excited to have the opportunity to be the first of their class to test their skills and attempt to shoot a perfect shot right in the middle of the bullseye.

Rain, Rain Go Away!
Danielle Chantrenne and Destinee Duke wished the sun would come out and the outdoor games could begin.

I can do it!
Katlyn Cross showed that she was just as fearless as the boys and got ready to climb the rock wall with a goal to climb higher than anyone.

What's up?
William Stamp watches a fellow classmate maneuver his way through the high ropes course.

Bull's eye!
I bet you've never seen a young lady that can shoot like Shelby Robinson, hitting her target every time.

Hello down there!
Samuel Rodeghier steps cautiously as he moves through the high ropes course enjoying the view from above.

Craig Tornquist

This just in! Craig Tornquist interviewed Aaron Thomas to find out what he wants to be when he grows up.

Craig Tornquist visited with the 8th graders and gave them a great show! All of the students participated in his many acts and laughed and laughed!

Want some water? Jamie Silk has a hard time chewing crackers because she was laughing so hard at her peers.

Getting involved! Lucas Delp and Austin Walters clapped loudly with enthusiasm as the participants performed under Mr. Tornquist's lively directions.

Craig Tornquist needed some keen volunteers to dance along with him, so Jacob Black and Lucas Delp came to the rescue! They got a pair of sunglasses and a little training to make their performance perfect. It got pretty heated; not only did they snap their fingers and dance to the music, they pretended to kiss a girl!

Are you ready for this? Craig Tornquist got to know Bradley Stager, as well as the other participants, before the cracker eating contest.

It didn't matter if it was daily, weekly, or the end of each semester, students were constantly winning prizes. The prizes varied from nail polish, to candy bars, to Wii gaming systems, and even Ipod touches! Teachers were given packets of Chief tickets to give to students who were doing the right thing in class, in the hall ways, or the cafeteria. This helped the students learn respect, responsibility, and relationships.

Chief Pride is the name of a new way of life in our school. The student body is taught to build respect, responsibility, and relationships. When students do the right things they get to attend Chief Pride Bash days at the end of each semester. First semester students signed up for an activity they wanted to do a first come, first serve basis. Second semester students rotated through six different activities by grade levels for karaoke, video games, card/board games, the bounce house and a snack room.

Chief Pride! From sports events to assemblies, Chief fans stick together through the season. From red to black, they are always showing their spirit. Chanting and cheering, the fans always get creative by showing their love for the Chiefs. Some fans would bring noise makers or even make signs! The louder the fans cheered, the better the teams played!

Winterfest week was packed with many fun activities. The dress up days and lunch time activities were: Monday - Jersey Day and donut on a string, Tuesday - Celebrity day and a donut snowman building competition, Wednesday - Disney Day and a three legged race, Thursday - Wacky Tacky Day and the powderpuff volleyball game, Friday - White Out Day and the lip sync! The winners of each competition gained points for their class and the classes with the most percent of students involved in the dress up days were also awarded points. At the end of the week the points were added up and the Seniors came out on top, winning Winterfest! The Freshman came in second place, followed by the Sophomores in third, and the Juniors finished in fourth place.

Powderpuff Volleyball

The tradition continues! A powderpuff volleyball game is an event that Junior and Senior boys get to participate in during winterfest week. After three long, hard-played games, the Seniors came out on top. The Juniors won the first game and the Seniors won the last two. "It was such a cool opportunity to be able to play volleyball with all my friends. Winning was definitely cool too!" said Senior Stacey Kochenderfer. When asked how his first powderpuff volleyball game went, Junior David Minnich said, "It was a very intense game! The Juniors played great, but the Seniors had the better skill and came out on top with the win."

The students were able to go to a corn maze, participate in a dodgeball tournament, play games during an assembly, go bowling, watch movies, have a read-a-thon, and go to the movie theater in Sturgis to view "The Hunger Games" the day the new movie came out. Middle school teachers Mrs. Beegle and Mrs. Poley, along with the middle school student council organized the activities for the rewards days for the year.
